A Message From Our Founder

Within the 21st century Church, there is a distinct need for an educational center of theological and ministerial training that is entirely committed to the biblical message, spiritual values, and passionate character of the Full-Gospel, Spirit-filled tradition of the global Pentecostal/Charismatic Movement. An educational center focused on the formation of spiritual servants who are as disciplined in the workings of the Holy Spirit as they are in the Word of God, so they may serve to cultivate a people of God who are balanced in their worship, witness, work, and warfare. The King's University exists for all who seek a ministry that is:

Uncompromisingly biblical in theology and practice; ceaselessly passionate in pursuit of the Holy Spirit's graces, gifts, and governing; and devotedly committed to the priorities of prayer, Spirit-filled worship, Spirit-inspired witness, and spiritual warfare.

With this mission and purpose in mind for The King's University, I am pleased to invite you to consider training here whether for professional ministry or for personal enrichment. I am thrilled that you have decided to obey God and to either step out in faith to begin the pilgrimage of preparing for the ministry and servanthood to which the Father is calling you or, having begun ministry, you have decided to better equip yourself to be a more effective servant in the Kingdom.

The Bible is clear that great leaders are first servants and that servanthood is the foundation to their greatness. This truth and mindset for ministry is so profound and significant that the Gospels proclaim it several times. We are repeatedly instructed to become servants if we desire to be leaders in the Kingdom of God. Thus, we must know that the Father is calling us to be His servants, and has given us the unsurpassed model of His Son as an example to follow.

The Apostle Paul reminds us that in the incarnation Jesus emptied himself, taking the form of a servant (Phil.2:7). John declares that "the Word (Jesus) became flesh and dwelt among us" (1:14), thus denoting the Son's servanthood. Matthew proclaims that "...the Son of man also came not to be served, but to serve...." Jesus' life and actions demonstrated servant-hood. He wrapped himself with a towel, took a basin of water, and washed the disciples' feet.

I join my voice of praise and gratitude with the rejoicing echoes of the Father that you are willing to lay down all, pick up the towel and basin, and obey His divine call to become a servant leader.

Your servant,
Jack W. Hayford, D.Litt

A Message From Our President

Welcome to The King's University! Whether you are a new or returning student, we are excited that you are a part of the TKU family!

I have found that I may not be able to remember every day of my life, but I can always seem to remember 2 things: the most meaningful seasons and the most impactful moments. I truly believe this next chapter of your life at The King's University will be a transformational season in your walk with Christ. I pray that it is filled with moments of fun, laughter, knowledge and powerful Holy Spirit encounters.

I love what Paul said in 1 Corinthians 9:24. The Amplified Version reads, "Do you not know that in a race all the runners run their very best to win, but only one receives the prize? Run your race in such a way that you may seize the prize and make it yours!" This is an amazing passage of scripture, but I think my favorite words in it are "make it yours!" In the Greek, the word used to describe this phrase is the word *katalambano*, which means to take hold of, to make it your own, to seize upon, to take possession of. As you begin your time this year at The King's University, you are taking steps of faith. You are moving outside of your comfort zone, investing time and resources as you commit yourself to learn and grow.

You are called. Slow down and read those words one more time...YOU ARE CALLED. As you embark on this new chapter of your life at The King's University, know that you are chosen. 1 Peter 2:9 reminds us that we are a "chosen people, a royal priesthood, a holy nation, God's special possession, that you may declare the praises of him who called you out of darkness into his wonderful light." So here is my encouragement to you: run your race, make it your own, take hold of the call God has placed on your life. And last but not least, *katalambano*!

I am confident that The King's University will play a vital role in preparing and equipping you for the call of God within you. From the rich legacy of our founder, Pastor Jack Hayford, to our current and long-lasting relationship with Gateway Church and Pastor Robert Morris, the future of The King's University is limitless, and so is your calling. You are in my prayers! MAKE IT YOURS!

In His Grip,

Dr. Jon Chasteen
President

Teaching Sites

Teaching Sites/Extension Sites are locations away from the main campus at which the institution offers less than 50% of an educational program. Students at Teaching Sites who wish to complete their program must speak with their academic advisor about transferring either into an Online degree program or to our location that offers full degrees (Southlake). Students may not complete their degree at any teaching site.

Philosophy of Education

The King's University recognizes the primacy of the spiritual truth revealed in the Bible and incarnate in Jesus Christ, and acknowledges that all truth, wherever it is found, is of God. All truth finds its unity in God. The King's also recognizes the role of the Holy Spirit in interpreting God's truth in accordance with the words of the Lord Jesus Christ who instructed His disciples that "When He, the Spirit of Truth, comes, He will guide you into all truth" (John 16:13).

The King's recognizes that God the Father has shown humankind truth through Christ in nature, history, and above all, in Scripture. Thus the Bible, as the authoritative Word of God, is central in the quest for knowledge. Its principles and precepts are integrated throughout The King's curriculum and are foundational in the school's basic philosophy of education.

Statement of Faith

WE BELIEVE –

Jesus of Nazareth is the Messiah, the Son of God, who was eternally preexistent with the Father and the Holy Spirit in a Holy Trinity; He became incarnate as the virgin-born Savior of the world and through His sinless life, baptism with the Holy Spirit, atoning death on the Cross, and bodily resurrection fulfilled God's sole plan for the redemption of fallen humanity. Jesus is the King of Glory who sits at the right hand of God as His Majesty on high, where He faithfully intercedes for us and from where He will return to earth to rule in righteousness. (Luke 1:34-35; John 1:1-2, 10:36-38; Acts 1:9-11, 2:33-36; 1 Corinthians 15:3-5; 2 Corinthians 5:21; Hebrews 7:24-26, 9:26)

These truths are revealed in the Scriptures, the Holy Bible, which is the Holy Spirit-inspired and infallible Word of God contained in the books of the Old and New Testaments, complete and truthful in its message and in all of the information it provides. The Word of God is the final and conclusive authority given to humankind to reveal the ultimate Way, Truth, and Life in Jesus who alone can satisfy our need to know God and live in a worshipful relationship with Him. (Matthew 5:8; John 5:39, 14:6; 2 Timothy 3:16-17; 1 Peter 3:16-18)

The Scriptures join with God's revelation of Himself in Jesus and His Creation to show us the goodness and glory of the eternal Triune God—Father, Son, and Holy Spirit—who is the Creator and Sustainer of all things visible and invisible and who is everywhere present in holiness, wisdom, power, and love to redeem humankind's promise and potential, and whose redeeming grace alone provides for humankind's salvation and restoration. (John 1:3, 14:16-26, 16:12-15, 20:30-31; Romans 1:20; Colossians 1:16-17; 1 Timothy 1:17, 2:3-6; Titus 2:11; Hebrews 1:1-3; 1 John 4:15-16; Revelation 1:8)

The Gospel is the complete message of God's salvation and restoration. The Gospel proclaims that forgiveness of sin, the restoration of God's loving rule and benevolent Kingdom, and the promise of a blessed and eternal life are available through repentance and faith in Jesus, our Savior and King, and it declares that this faith brings new birth into the Kingdom of God where God's loving purpose for each individual may be realized through the power of His Holy Spirit. (John 3:3-7; Acts 16:31, 26:17-20; Romans 1:16, 10:8-13; Titus 3:4-7; Hebrews 6:1-2)

The Church is constituted of all people who have believed and received the Gospel and is unified by our worship of Jesus the Messiah as our Savior and King. Thus, it is a diverse Messianic community of Jews and people from all nations who honor and support one another through mutual prayer, fellowship, and gifts. It is also a reconciled people who through the power of God's Holy Spirit forgives and asks forgiveness of one another. As such a people, the Church practices water baptism and celebrates The Lord's Table as prophetic signs of the reality of the new life that believers live in the Messiah. (John 13:34-35, 15:12-13; Acts 2:36; Romans 15:7; 1 Corinthians 12:3; Galatians 3:26-29; Ephesians 2:19-23, 4:1-6; 1 Thessalonians 4:9-12; 1 John 4:7-21)

The whole Church is commissioned by Jesus to take the Gospel to the whole world and urges that all people be reconciled to God in Jesus' Name and experience the fulfillment of their humanity in their worship of and growth in Him. This commission is accomplished through the love and power of the Holy Spirit who has come from God the Father at the request of Jesus the Son to enable all believers to serve one another in grace and to serve others by feeding the hungry, clothing the poor, and visiting the needy and neglected. (Matthew 5:13-16, 24:14, 28:18-20; Mark 16:15; John 16:7-15; Acts 1:8; 2 Corinthians 5:18-21)

The fullness of the Holy Spirit is the wellspring of the Church's capacity for witness and ministry. Jesus Himself baptizes the members of His Body—the Church—with God's Spirit, to empower each one for good works of reaching people with the Gospel, forgiving people, bringing salvation, freedom, and healing to people. The fruit and gifts of the Spirit are tangible manifestations of the Kingdom of God and evidence of the truth and grace that the Church preaches and shows to all nations. (Matt. 3:11, 24:14; Luke 3:16, 24:48-49; John 7, 14:12, 20:21-23; Acts 1:4-8, 2:1-4; 10; Rom. 12:5-8; 1 Cor. 12:4-11; Gal 5:22-23; Heb. 13:8)

The Church lives in the hope of God's glory and the expectation of Jesus' return. For this reason, believers pray that God's will be done and His Kingdom come on earth as in heaven, looking forward to the return of the Messiah and the consummation of God's Kingdom over all creation, at which time all of those who have received His rule will exchange mortality for immortality. (John 5:28-29; Romans 14:10-12; 1 Corinthians 15:35-58; 2 Timothy 4:1-2; 1 Peter 4:7; 2 Peter 3:11-14; 1 John 3:2-3; Revelation 20:11-15)

The above affirmations of faith are founded on the revelation of God's Word and are reaffirmed in the following statements:

- We believe in the Trinity of the Eternal Godhead—Father, Son, and Holy Spirit, perfect in unity as Creator, Redeemer, and Restorer of Humankind.
- We believe in the plenary verbal inspiration of the Bible—the completed canon of the Old and New Testaments, inerrant in the original manuscripts and infallible in its truth for faith and life.
- We believe in the creation of the universe, the fashioning of earth for human habitation, and the historicity of primeval history as presented in the Scriptures.
- We believe in the literal existence of the devil and in the reality of the invisible war against demonic hosts who seek to tempt and separate humankind from the Father.
- We believe in the Gospel of salvation through the Cross—that humankind is lost without Jesus the Savior, whose atoning blood and substitutionary death alone provide forgiveness for and justification from sin and provide eternal life.
- We believe in the literal reality of each—the virgin birth, reconciling death, bodily resurrection, personal ascension, and promised Second Coming of Jesus, the Messiah.
- We believe in the essential unity of the Church under the Saviorhood and Lordship of Christ, with a commitment to respond to His prayer “that they may be one” in the Spirit of humility and love.
- We believe in Israel's irrevocable election and affirm the calling of Jewish followers of the Messiah to remain true to their identity as Jews (Rom 11:28-29; 1 Cor 7:17-20; Acts 21:17-26). See Appendix A for an expanded statement.
- We believe in the Savior's great commission to go into all the world preaching the Gospel, baptizing, and making disciples.
- We believe in the present ministry of the Holy Spirit's gifts and works of power and through the Church, beginning with the believer's receiving the Baptism with the Holy Spirit as at the beginning.
- We believe in showing love and good works toward all humanity in serving human need, that the Gospel not be reproached, and that God's love be seen in practice as well as proclamation.
- We believe in the final judgment of all humankind into eternal union or eternal separation from God; ministering in this light with the passion of those who believe that “For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life” (John 3:16).

- We believe in the Church's historic view of marriage as the union of a man and a woman to one another in a shared life of fidelity and devotion as a gift given by God to His people and one of the ways through which His image is made known in the world. (Genesis 1:26; John 13:34-35; 15:12-13; Acts 2:36; Rom. 15:7; 1 Cor. 12:3; Gal. 3:26-29; Eph. 2:19-23, 4:1-6; 1 Thess. 4:9-12; 1 John 4:7-21)
- We believe in doctrinal and denominational distinctiveness regarding the contribution of women in ministry leadership and the worth and propriety of spiritual language as the evidence of Spirit Baptism.
- The King's University subscribes to the historic creeds of the Church, including the Apostles' Creed and Nicene Creed, and to the Statement of Faith of the National Association of Evangelicals (USA), and to the Declaration of Faith of the Pentecostal Charismatic Churches of North America. The King's University has also signed the Statement of Affirmations of the Toward Jerusalem Council II movement, which invites churches and Christian organizations to affirm the Messianic Jewish Movement. *To read The Seven Affirmations of the TJCII Movement, see Appendix B*

A HISTORICAL REFLECTION

The King's Story

In February 1996, Pastor Jack Hayford was flying back to Los Angeles after speaking to more than 39,000 pastors at the Promise Keepers Clergy Conference held at the Georgia Dome in Atlanta – the largest gathering of pastors in modern day history.

While his experience with the pastors at the Georgia Dome had been a powerful time of ministry and freedom, Pastor Jack's thoughts at the moment were not focused on what had transpired over the previous three days. Instead, he was relaxing in his seat, looking out the plane window, and enjoying the majestic beauty of the clouds floating at an altitude of 37,000 feet.

Out of the blue, Pastor Jack heard a still, small Voice tell him to begin a seminary. Pastor Jack knew the Lord was speaking directly to him about preparing young men and women for Christian leadership.

From that moment on, obeying God's command to launch a school that would train up godly leaders became the focus of his life.

With the Church poised to enter into the twenty-first century, Pastor Jack recognized there was a need for a Bible-based, Spirit-empowered school to provide men and women with a solid foundation of theological and ministerial training. But beyond creating a place for academic and practical education, his desire was to raise up leaders who rest in the power of the Holy Spirit and replicate the life of Jesus in whomever they serve.

A Spiritual Heritage

In September of 1997 – a year and a half after that momentous plane ride – classes began at The King's College and Seminary in Los Angeles, California. It is clear that God's leading to launch a Spirit-empowered college and seminary in the spiritually historic city of Los Angeles – the "City of Angels" – wasn't mere happenstance.

Los Angeles is a city rich with spiritual heritage. This is the very city where the worldwide revival that sparked the Pentecostal Movement had taken place nearly a century before at Azusa Street. This is also the city where Aimee Semple McPherson, who was one of the most significant female evangelists in American history, birthed the International Church of the Foursquare Gospel, built one of the largest churches in the United States, and was the first woman to use the medium of radio to preach the gospel.

It was in Los Angeles that Billy Graham launched a national revival at The Rose Bowl in 1949 that would end up transforming the heart of America for the next five decades. And how apropos is it that Los Angeles is where Demos Shakarian launched the Full Gospel Business Men's Fellowship International in 1951 that introduced the Spirit-filled life to millions of American business leaders? In addition, it is especially significant that the first location chosen for The King's is literally on the exact same street and block where God used Father Dennis Bennett, Rector at St. Mark's Episcopal Church, to spark the great Church renewal that we call the Charismatic Movement in 1960.

For years, The King's College was the only accredited Pentecostal/Charismatic postsecondary institution in Los Angeles, and The King's Seminary was the only accredited Pentecostal/Charismatic seminary on the West Coast of North America.

As the fastest growing movement in church history, the Pentecostal/Charismatic Movement is showing no signs of slowing its momentum and The King's University is actively contributing to it by raising up new generations of Spirit-empowered leaders.

The Early Years

The King's grew rapidly and miraculously. Around this time, Pastor Jack felt an ever-increasing urgency to give himself wholly to God's call of building a seminary, which led him to conclude his 30 years of service as the senior pastor of The Church on the Way in Van Nuys.

During those earliest days, God was faithful to bring individuals who supported The King's both through their prayers and through their generous donations. Within the first two and a half years, Gerald Canning from Nebraska donated \$100,000 to launch the building of a library, and Bert and Jane Boeckmann gave hundreds of thousands of dollars toward it as well. Because of those donations and others like it, The King's was able to quickly build its library collection to more than 177,000 volumes. In addition, Jim Tolle, the Executive Director of Foursquare Missions, gave the school \$200,000 to launch a world-class Online Program.

In 1999, The King's began the arduous process of accreditation. They requested Applicant status with the two major nationally recognized Christian Accreditation Associations. In one year, they received Candidacy and the next year Initial Accreditation. No school in the history of either association had ever completed the eight- to ten-year process in two years!

There is no other way to describe what took place during those early years other than it was miraculous. From how supernaturally quick the accreditation requirements were fulfilled to the divine provision of the necessary properties and facilities which were secured, from assembling a top-notch team of faculty and administration to taking in a sizable number of students, the hand of God on The King's was truly evident everywhere.

A New Season

Throughout the first decade, The King's continued to expand and grow by planting new extension campuses across the nation in conjunction with several local churches. In 2009, Gateway Church entered the picture when their founding senior pastor, Robert Morris, received a mandate from God to "train the next generation for ministry."

To fulfill that dream from God, Gateway partnered with The King's University in California to create a branch campus in Southlake, Texas. With The King's help, Gateway wanted to train and equip students for ministry within the church as well as outside the four walls of the church.

In 2013, The King's received relocated central operations from Van Nuys, California to Southlake, Texas. This new central campus for The King's was officially dedicated on November 14, 2013. This new beginning represented the culmination of a multi-year planning process that was first birthed in the heart of Dr. Robert Morris (who also serves as Chancellor of The King's University) and is an extension of the very close relationship that exists between Dr. Robert Morris and Dr. Jack Hayford. "The King's University (TKU) has already impacted the lives of many students, and I look forward to seeing how this next step for TKU influences even more students for life-transforming ministry," says Dr. Robert Morris.

Currently the University offers a dozen accredited vocational ministry degree plans including undergraduate, graduate, and doctoral degrees. In the near future, the school anticipates adding several new degrees in other disciplines of study.

Dr. Jack Hayford says: "When we founded The King's University, it was our vision to see students experience quality ministry education. As we move into this next season and our vision expands, I believe TKU's influence will increase globally as more students gain access to a wider variety of degrees."

INSTITUTIONAL POLICIES

Non-Discriminatory Policy

The King's University believes that all people are created in the image of God and is committed to providing equal opportunity and access in its educational and spiritual programs and activities. The school provides full and affirmative compliance with the provision of Title VI of the Civil Rights Acts of 1964, Title IX of the Education Amendment of 1972, Section 504 of the Rehabilitation Act of 1973, and the Age Discrimination Act of 1975.

The school does not discriminate on the basis of race, color, gender, national or ethnic origin, handicaps or disability, age, marital, or veteran status in any of its policies, procedures, or practices. This includes its admissions policy, educational programs, treatment, employment, and all other activities that it provides. In addition, recognizing that women and men are equal partners in the ministry of building the Kingdom of God, the school strongly discourages the use of discriminatory language. The school also prohibits any form of sexual harassment on the part of its employees and students.

Americans With Disabilities Act (ADA)

The King's University will make reasonable accommodations for students with documented disabilities as defined in Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990. Students requesting accommodations must first register with the Student Success Center to verify their eligibility. After documentation review, the Director of Student Success will provide eligible students with accommodation letters for their professors. Students must obtain a new letter every semester and meet with each relevant professor prior to any accommodations being implemented. These meetings should occur during the first three weeks of the semester (except for unusual circumstances), and at least one week before any testing accommodations. Please note that professors are not allowed to provide classroom accommodations to a student until appropriate verification from the Director of Student Success has been provided.

Sexual Harassment

The institution is committed to providing a learning and working environment that is free of discrimination. In keeping with this commitment, unlawful harassment, including sexual harassment, is strictly prohibited. Harassment is defined as unwelcomed or unsolicited verbal, physical, or visual contact that creates an intimidating, hostile, or offensive environment. Any student or employee who feels they have been subjected to such treatment should immediately report such to the Title IX Coordinator.

Drug Free Policy

Recognizing that our bodies are the temples of the Holy Spirit, The King's requires that its campus, faculty, staff, and students be drug free. The school, including all departments and affiliated institutions within it, expressly prohibits the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance on the campus and premises. Violation of this policy will result in the immediate dismissal from the school of any student or employee involved in any of these activities. Employees must, as a condition of employment, abide by the above stated policy and report any conviction under a criminal drug statute within five days of its occurrence. This report must be submitted to the Personnel Office.

Any student or employee using alcohol or the unlawful possession, use, or distribution of illicit drugs while on the properties owned or used by The King's will be immediately dismissed. In addition, students or employees involved in such illegal activities are subject to legal prosecution under federal, state, and local law and may be liable for personal injuries or property damage that occur when participating in the above activities.

The school does not sponsor drug or alcohol counseling, treatment, or rehabilitation programs. Students and employees, however, should know that near the Southlake campus in the Dallas Fort Worth area there many fine drug and alcohol counseling treatment and rehabilitation programs. An abbreviated re-application form is required for students who have an enrollment absence of longer than three (3) semesters. Returning students must provide official transcripts of all schools attended during their absence from TKU.

RIGHT OF ACCESS | DISCLOSURE OF RECORDS

Family Educational Rights and Privacy Act

The King's University observes the Family Educational Rights and Privacy Act of 1974. Thus, with a few exceptions provided by law, students may review their educational records upon request. Access is granted upon submission of written request to the Registrar. Information which students may have waived their right to see (i.e., external references) are the only items excluded from their review. Students may request the amendment of their educational records if they feel the records are not accurate.

The King's University identifies the following as Directory Information: Name, address, telephone listing, electronic mail address, date and place of birth, photographs, participation in officially recognized activities and sports, field of study, enrollment status (full-time, part-time, undergraduate, graduate), degrees and awards received, dates of attendance, most recent previous school attended, and grade level. The release of this information is not considered harmful or an invasion of privacy if disclosed without consent. However, students may opt out of having directory information disclosed without consent. To do so, the student must complete the Directory Information Opt Out Form found on the tku.edu website and email it to registrar@tku.edu.

Student Communication: TKU Student Email Account

At the point of enrollment, all students are issued a TKU email address and network username, which will give them secure access to campus information and the CAMS system. The University does not use non-TKU email accounts to correspond to enrolled students. Once this student account is set up, students should immediately use this email account. Students who take themselves out of a University-hosted distribution list are still responsible for the content, attachments, and deadlines communicated to that list. Students should not share their TKU network and email usernames and passwords with anyone at any time.

Students are required to read, respond, and archive all official correspondence from the University. The responsibility for understanding and adhering to requests, policies, deadlines, and procedures communicated to students rests entirely with the student. It is the expectation that students will check their TKU email account at least once per day while classes are in session and 2-3 times per week during break periods.

Financial Aid

The Office of Student Financial Services at The King's University is committed to helping students understand all the resources available to fund their education. Financial Aid is available to assist qualified students who desire to attend The King's but may lack the financial means to do so. The primary responsibility for financing an education belongs to the student and his/her family. Financial Aid is based upon need. Need is defined as the difference between the cost of attending The King's and the Expected Family Contribution (EFC) which is determined by completing the "Free Application for Federal Student Aid" (FAFSA). It is never too early to begin exploring Financial Aid options. TKU encourages future and current students to begin investigating options as early as possible.

This federally funded grant is based upon financial need and credits enrolled for each semester. The amount varies each academic award year. Students with a bachelor's degree are not eligible.

Students interested in obtaining a work study position need to contact the Financial Aid Office for further details and eligibility.

William D. Ford Direct Loan Program

(Federal Student Loan)

The Direct Loan is a low interest loan borrowed directly from the U.S. Department of Education. The loan limit is determined by federal guidelines, which are based on grade level and student's enrollment status. Loans are available to college and seminary students. Once the Student Financial Services office has received all documentation, the awarding process will begin. The student will be notified through the TKU student email address if additional information is needed and of the final award.

Scholarships

In addition to federal student aid, scholarships are made available every semester. Students are notified of these opportunities on social media and student email. Applications are posted online at www.tku.edu/admissions/financial-aid/scholarships.

DISBURSEMENT OF FINANCIAL AID

The Office of Financial Aid will begin posting to your student account following the add/drop period each semester. If a student account shows a credit balance, it is the policy of the University to refund the credit to the student in a timely manner under most circumstances. Credit balances caused by financial aid are refunded only after a careful review of the student's account and eligibility for aid and will be issued only if a credit balance results from the posting of a student's Financial Aid. If a credit balance refund is due the student, **the refund is made to the student within 14 days**, as required by Federal regulations. A refund will be issued only if the student's balance is paid in full. Student refunds are either sent electronically, through direct deposit to your bank account, or as a paper check in the mail. For paper checks, please be sure to verify your current address information with the Registrar's office.

LOAN ENTRANCE AND EXIT COUNSELING

Students are required to complete Loan Entrance Counseling before receiving a Direct Subsidized or Unsubsidized student loan, and this is completed in Step 3 of the Financial Aid Application process. Likewise, students are required to complete Exit Counseling when they graduate or cease attendance at TKU. Exit Counseling can be completed online at www.studentloans.gov. Graduating students must complete Exit Counseling before graduation ceremony or receiving their diploma.

TITLE IV REFUND POLICY | FEDERAL RETURN OF FUNDS

Financial aid students who are considering dropping or withdrawing from one or more classes should be aware that such action could negatively affect their student account resulting in a significant balance owed TKU. For this reason, students are encouraged to visit with the Financial Aid Office prior to schedule changes to determine the consequences of the change. Students receiving Financial Aid who drop or withdraw from courses for which they are receiving financial aid will be subject to the recapture of the unearned portion of the financial aid. If a student attends beyond the 60% point in any term, the institution will not recapture any Title IV funds but institutional aid may be adjusted.

TKU returns Title IV funds to the programs from which the student received aid during the period of enrollment, in the following order, up to the net amount disbursed from each source:

- Unsubsidized Direct Loans;
- Subsidized Direct Loans;
- Federal Perkins Loans;
- Direct Plus Loans;
- Federal Pell Grants for which a return of funds is required;
- Federal Supplemental Education Opportunity Grants (FSEOG);
- Teach grants for which a return is required;
- Iraq and Afghanistan Service Grant, for which a return is required.

TKU has forty-five (45) days from the date the institution determines that the student withdrew to return all unearned funds for which it is responsible. TKU uses the Return of Title IV formula to determine aid that is to be returned.

In each case the Schedule of Courses will note a fee is applicable. All fees (audit, online, processing, etc.) are non-refundable after the first week of the semester as defined by the academic calendar.

Payment of Accounts

All tuition and fees are due and payable in full at the time of registration if a deferred payment plan is not in place. Students are strongly encouraged to pay in their student portals. Payment may be made by check or credit card.

Deferred Payment Plans

Students may choose to participate in a deferred payment plan. The Three Payment Plan allows students to pay one-third of their balance at the time of registration with a second and third one-third balance payment at designated times during the semester that are set by the institution. There is a deferred payment fee when students choose a payment plan. Accounts must be cleared prior to the taking of final examinations. If for any reason a student cannot meet the above criteria for payment due to extenuating circumstances, the student may contact the Student Accounts Office for guidance of which may include a petition process.

Improper Payment

When personal checks are returned for insufficient funds, the student is charged a processing fee. Bad checks must be rectified within five days of notification from the school. Students who make payment with checks that are returned may face consequences (including, but not limited to, suspension of enrollment, processing fees, late fees, etc.) if such a practice occurs multiple times.

When a credit card or check payment (payment plan autodraft) is denied, the system attempts the automatic payment a second time within 24 hours. If the payment is still denied, the student is contacted by the Student Accounts Coordinator and there is an insufficient fund-processing fee of \$75 charged to the student. The student has five days from notification to rectify the payment.

Outstanding Balances

A student's account must be current by the end of each enrollment period. Students will not be permitted to register for courses in subsequent semesters if they have an unpaid balance on their account unless special permission is obtained from Student Accounts.

Balances remaining on a student's account at the end of the semester will incur a financial charge per month as dictated by State regulations until paid in full. A student's records, grades, and transcripts will not be released while an outstanding balance exists. The King's may report unpaid accounts to national credit agencies and solicit a collection agency to secure payment of delinquent accounts. Students will be responsible for the payment of all collection costs including attorney and court fees.

If a student has a credit balance on his or her account and has not requested a refund check, the credit balance will be deducted from the next tuition payment required of the student.

International Student Payment

Prior to being issued a Form 1-20 certificate, first-term international students must pay a deposit equal to the amount of full-time tuition and fees (12 hours for undergraduate, 9 hours for graduate, and 1 cohort for doctoral). Once payment and all other documentation is received, certification will be issued.

International students are required to pay in full by the official first day of the semester. International students do not qualify for deferred payment plans. If payment is not paid in full, late fees will be applied and they will be contacted by the Student Accounts and International Students Coordinator to rectify the balance. The student's SEVIS record will be terminated if the account balance is not paid in full by the last day of the semester. If extenuating circumstances apply, a Petition for Policy Exception may be requested and submitted to the Finance Committee via the Student Accounts Coordinator.

Doctoral Students

Doctoral student tuition policy is aligned with the rest of the student body. Payment is due in full on the first official day of the semester. Deferred payment plans may be utilized, if desired. The payment dates will remain the same as the greater student body. International doctoral student payment policy (for first term students) will align with regular international student policy, deposit being equal to the cost of the first cohort tuition and fees. Continuing international doctoral students' payments will be due on the first official day of the semester.

Refund Policy

Tuition refunds/credits are made for withdrawal from a course(s) when an official Schedule Adjustment (Drop/Add) Form is filed with the Registrar. Students may withdraw from a course and receive a full refund as per the refund/credit schedule below. The date of withdrawal is certified as the date on which the Schedule Adjustment (Drop/Add) Form is filed with the Registrar (not the date of the last class attended). Failure to attend class does not constitute withdrawal. Students failing to properly withdraw from a course will not receive a refund.

Course Changes Drop/Add

Course changes may occur at any time during the designated periods of the academic calendar. The student must initiate such changes through the Office of the Registrar and must use the proper forms which can be located on the student portal. All forms and petitions must be sent through the student's TKU student email address. Courses that are dropped are subject to TKU's refund policy.

The academic calendar allows for a designated period in which courses may be dropped without recording. After that date courses are recorded as "Withdraw Passing" (WP) or "Withdraw Failing" (WF). Failure to attend a course without officially processing the drop will result in a grade of F on the student's academic transcript.

All courses open at the beginning of each semester including on-ground, online Sessions I and II, and module courses. Course syllabi are made available through the Student Portal and/or Blackboard, and students are required to submit the Syllabus Acknowledgement Form for each registered course. University deadlines for add/drop and withdrawals apply.

Audits/Non-Credits

Auditing a course or being allowed to take a course for non-credit means a student has obtained permission to attend the course and is not enrolled for academic credit. Thus, audit or non-credit courses cannot be dropped nor refunds issued.

Student Development

Student Orientation

To assist new students in their acclimation to The King's, an orientation program is provided each semester. The objective is to enable students to make a smooth transition into the life and opportunities of the school. The orientation sessions provide both group and individual assistance.

These sessions introduce the student to the spiritual, social, and academic life of the school. They are introduced to campus facilities, the faculty, administration, programs, and policies of the school. Academic advisement and assistance is provided each student in their initial academic registration. The sessions also allow new students to meet current students and to become familiar with student activities such as Student Government.

Campus Life Office

The VP of Student Development and the Campus Life team work with student leaders to promote a sense of Christian community among the student body. This team of faculty and students seeks to promote a strong spiritual and warm social environment through a variety of activities, programs, and events.

Student Government Association

At the Southlake campus, the TKU Student Government Association promotes a sense of Christian community among the student body. This team of students seeks to promote a strong spiritual and warm social environment through a variety of activities, programs, and events.

Student Insurance

The King's University does not issue student health plans. Information regarding nationally available plans may be obtained from the Office of Campus Life.

Student Clubs and Organizations

Currently at the Southlake campus, The King's University gives students the opportunity to create and oversee clubs that are promoted on campus. These clubs can be coed if the students choose. There are no criteria for other students to join a club unless a club is gender specific. There are no fees to set up a club or for students to join a club.

Clubs are designed to encourage community among other TKU students. This helps the university establish a thriving campus life experience as well as an increased retention rate.

In order for a club to be established, a current student will submit the "Club Request Form" to the Coordinator of Student Activities. The VP of Student Development will determine if this club is beneficial for The King's University by making sure the club aligns with the mission statement and affirmation statements of The King's University. Each club leader will meet with the Coordinator of Student Activities regularly. Once the desired activity is submitted, the Coordinator will get final approval from the Vice President of Student Development. If the club is not approved, the Coordinator will notify the student. If approved, a determined date will be made in regard to when the club will begin.

Intramural Sports

Currently at the Southlake campus The King's University gives students the opportunity to play in an Intramural Sports league that is promoted on campus. These leagues can be coed if determined by the Coordinator of Student Activities. Students who wish to join a team within a league can either build their own team or have the Coordinator place them on a team. Every student must submit the required release form ("Assumption of Risk Waiver and Release from Liability Form") before being eligible to play each semester.

The Campus Life department, in conjunction with the SGA Intramurals Team Lead, will set up all schedules, locations, and logistics required for the league to run efficiently. A trophy is awarded at the end of each league season to the winning team. The trophy will remain with the Campus Life department.

Intramural Sports are designed to encourage community among TKU's students. This helps the University establish a thriving campus life experience.

Student Housing

TKU's main campus in Southlake is a commuter campus, as are all other branch campuses and teaching sites. Any student who plans to relocate to a different TKU campus needs to submit a Campus Reassignment Form to the Office of the Registrar (registrar@tku.edu). TKU staff will do their best to assist with information concerning local housing options.

The Campus Life Department assists students with their housing needs by providing references to apartment information and referring students to no-fee professional housing locators.

Automobiles on Campus

TKU's main campus in Southlake is a commuter campus. Vehicles are not to be kept on campus overnight without prior approval from the Director of Operations. The speed limit in the parking lot is 10 mph. Any vehicle operated or parked on TKU property must comply with the state registration requirements and display a current vehicle registration sticker and license tags. Additionally, proof of liability insurance must be carried in the vehicle and shown to the TKU Security or Staff upon request. Failure to meet these requirements may result in the vehicle being banned from campus. Any inoperable vehicle on the TKU campus may be towed at the owner's expense.

Throughout the year, the Southlake campus hosts several special events that require reserved parking for the patrons. This may result in some inconvenience to students but does not authorize drivers to violate parking regulations. TKU is not responsible for loss or damage to vehicles parked on or in transit on TKU property. TKU rules and regulations are valid at the time of printing. Changes may occur during the academic year. Signs posted at the entrances take precedence over any regulation in this brochure. For questions in regard to these rules and regulations, the TKU Operations Department can be contacted during business hours (8:00 am–5:00 pm Monday through Friday) at 817-722-1700.

Personal and Family Counseling

Student counseling resource options are facilitated at the Southlake campus through the Campus Life Office in coordination with the professional Pastoral Services Department of Gateway Church which provides personal, pre-marital, marital, and family counseling. A number of support groups are also available for student participation.

Campus Security

In an effort to provide visible protection for the Southlake campus community, uniformed security personnel are on duty during daytime and evening hours. The parking lot adjacent to the academic buildings is well lighted and under regular surveillance. The Campus Security Report and The Campus Crime Statistics Report are posted on The King's website.

Placement Assistance

In an effort to help students find ministry positions upon graduation, the school maintains a list of opportunities reported to the school and provides guidelines for writing resumes. Students are encouraged to file their resumes with the office during their last year of enrollment.

Alumni Association

The King's University Alumni Association endeavors to perpetuate relationships among alumni of the school and among the alumni and current students. The association sponsors activities throughout the year to promote these goals.

Spiritual Development

Students at The King's University enjoy a variety of opportunities to enhance their spiritual development. It is expected that all students will regularly attend and be involved in a local church. There are hundreds of fine churches throughout the greater Dallas area.

To assist in the spiritual nurturing of the student body, weekly chapel services are available for student and faculty participation. These times are intended to complement the instruction and spiritual growth students receive in the classroom. Students also have the opportunity to fulfill their practicum requirements at Gateway Church and other churches throughout the Dallas area.

Gateway Church serves as the campus church for the university and offers multiple opportunities for spiritual development. A large number of specialized and small group ministries for singles, married couples, and families are available through the church. Students are encouraged to be involved and learn about all that Gateway has to offer during their time at The King's.

TKU DRESS CODE POLICY FOR STUDENTS

As a Christian institution that is dedicated to preparing students for Spirit-empowered ministry and leadership in church and marketplace settings, The King's University asks students to respect and comply with community standards with regard to dress. In general, at all times, whether on or off campus, students should keep in mind their callings as ambassadors for Christ. Our aim is always to glorify Christ and point people to Him, and we hope that through these guidelines we will minimize times when we distract from that aim by drawing undue attention to our physical appearance. To this end, we ask students to honor the principles of modesty, professionalism, neatness, and personal hygiene.

Students who have questions about TKU's dress code policies should feel free to consult the Campus Life office. While on campus (at class, at chapel, or while using campus facilities for other purposes), students are asked to comply with the following more specific parameters:

Women

Pants may be dress style or cotton, or well-kept blue jeans. Skirt and dress lengths are to be modest, professional, and appropriate. Sleeveless shirts are permitted, but no tank tops or immodest necklines. Shorts should be no shorter than fingertip length, when standing.

Men

While casual attire is acceptable for daily campus life, men should honor TKU's community guidelines by wearing clothes that are appropriately neat, clean, and professional. Beard and mustache must be well groomed.

Men and Women

Shoes should be worn at all times. They should be clean, neat, and professional. Sandals should maintain a professional appearance. Modest shorts are permitted in TKU buildings. Visible tattoos which highlight offensive messages should be covered, and visible body piercings that are deemed distracting to peers and others are not permitted. On campus and at all TKU events, men and women are asked to have their entire midsection/midriff area covered, from shoulders to waistline.

PLATFORM MINISTRY

We who have the privilege of ministering in TKU chapels and public events are also being introduced to the responsibilities of leadership. Carrying a higher profile and being more closely observed by others, we are challenged to set a standard for what is appropriate for leaders to wear in a highly visible setting.

Men

Always be well-groomed, clean, and neat. Wear neat dress slacks, neatly kept blue jeans, or khaki pants. Neutral colored nice clean pants are permitted. Tank tops and hats of any kind are not permitted. Shoes are to be neat and clean.

Women

Modesty and femininity are the guiding principles for women's dress. Attention should be drawn to your countenance rather than other areas of the body. Skirts (including slits) must not be shorter than the top of the knee. No tight-fitting or revealing clothing; modest necklines only. Leggings should be worn with dresses or skirts if dress falls at the top of the knee. Tank tops are not permitted unless a cover up, sweater, nice jacket, or cardigan is also worn. Hats of any kind are not permitted.

*For special events, whether on or off campus, dress requirements may be adjusted.

STUDENT CONDUCT

The King's University is dedicated to training men and women who genuinely desire to live a Christ-honoring life. Being a student in good standing is the norm, that is, a student who is not under sanction such as Academic Warning, Academic Probation or disciplinary or academic integrity probation, suspension, or expulsion.

Although an understanding of what is unacceptable behavior is necessary for diagnostic purposes (see Paul do the same thing in Galatians 5:19-21), ultimately, loving behavior cannot be produced by following a list of do's and don'ts no matter how long or thoughtfully it is composed. Acceptable Christian behavior results from reliance on the Spirit of God to produce spiritual fruit in the believer (Galatians 5:22-23).

The King's Standards of Conduct

Recognizing The King's University as a community of believers, the school expects its students, faculty, and staff to exemplify biblical standards of conduct in all areas of their lives, both on and off campus, and in interpersonal and community relationships. The institution expects its members to demonstrate integrity in their personal lives and in their academic/professional work, and to show respect, concern, and proper behavior towards their colleagues and those in authority.

The King's Standards of Conduct Statement is a central criterion of behavior for all that are a part of The King's community. It represents a standard of Christ-like maturity based upon a biblical philosophy, reverence for God, esteem for humankind, and personal integrity.

Recognizing that preparation for and involvement in the service of Christ requires personal commitment to the Lord Jesus Christ, the King's expects all members of its community to seek spiritual growth and maturity in their Christ-like lives. The following are expected of community members:

- Studying the Word of God. Regular and consistent personal study of the Word is essential for spiritual growth. 1 Pet. 2:2 encourages us to "long for the pure milk of the Word." The Word has the power to reach the innermost parts of our being (Heb. 4:12) and to enable us to stand firm for Christ (Eph. 6:17).
- Communion with the Father. Christ-like living is essentially a love relationship with the living God (James 4:8), birthed by and substantiated through the power of the Holy Spirit. To personally know the Father we must have communion with Him. Jesus Christ gave us the example to pray regularly and consistently, and the Scriptures encourage us to "pray continually" (1 Thess. 5:17) including prayer in the Spirit (1 Cor. 14).
- Discipleship. God's Word instructs believers to follow the example, "and observe those who walk according to the pattern you have in us" (Phil. 3:17). Discipleship is developing personal relationships for spiritual goals. Community members are encouraged to form personal friendships, structured accountability relationships, and/or small groups.
- Church Attendance. Believers are instructed not to forsake "assembling together" as they submit themselves to the life and leadership of a local assembly (Heb. 10:25, 1 Cor. 16:13-16). It is expected that all members of The King's community will establish a church home and regularly attend worship services.
- Christian Ministry. The Father has called every believer to do the work of ministry (Eph. 4:16-18).

The Word declares "We are His workmanship, created in Christ Jesus for good works" (Eph. 2:10). It is anticipated that all members of the community will be involved in some expression of Christian service in Jesus' name and that all are encouraged to exercise spiritual edification of gifts for the body.

Recognizing that preparation for and involvement in the service of Christ requires a lifestyle consistent with an effective Christ-like witness and one which exemplifies a life of integrity and Christian values, the following are expected of community members:

- Maintain a Blameless Testimony. Scripture declares that God has created all persons in His image (Gen. 1:26-27) and that we are not to be conformed to this world (Romans 12:2), but are to be "holy in all" our conduct (1 Pet. 1:15-16). To maintain a blameless testimony as Christian leaders, students and employees are expected to totally abstain from participating in either fornication, adultery, or using pornography, illegal drugs or harmful substances, or the abuse of alcohol and profanity, obscenity, and dishonesty including plagiarism are equally unworthy and to be shunned.
- Respect for Peers and Authority. The King's expects every member of the community to demonstrate love, respect, and honor to all other members of the community, whether it is with one's colleagues or with those in authority (Rom. 12:10, 1 John 4:21, 1 Pet. 2:17, Heb. 13:16-17).

- **Discrimination/Harassment.** In valuing the rights of all individuals and their contributions (I Cor. 10:24), we acknowledge all forms of racial and gender discrimination to be violation of God's laws (Acts 10:34). The King's is committed to providing a learning and working environment that is free of discrimination. In keeping with this commitment, unlawful harassment, including sexual harassment, is strictly prohibited.
- **Dating and Marriage.** The King's expects the highest standard of moral purity to be maintained by members of its community regarding both dating and marriage. God's Word does not condone either pre- or extra-marital sexual activity (I Thess. 4).
- **Appearance and Dress.** Recognizing that members of The King's community are called to be leaders in the Church and in society, the school requires its members to follow the standard of modesty in dress and appearance. Scripture calls believers to be examples to those around them (1 Tim. 4:11-12) and to give no offense to others (I Cor. 10:32). Thus, members of The King's community should never allow their appearance to be a stumbling block to another.

The King's Standards of Conduct states the means for achieving the kind of lifestyle expected of trustees, administrators, faculty, and students. Traditionally, a code of conduct is used to enforce behavior by publishing a list of rules with consequences. The University has stated the King's Standards of Conduct in a way that reflects the grace of God. It is included in official publications and is part of the Affirmation Statement that all members of the TKU community agree to live by with their signatures.

Representative Misconduct

Disciplinary regulations at TKU give students general notice of prohibited conduct but should be read broadly. They are not designed to define misconduct in exhaustive terms. Consequently, the following kinds of misconduct do not comprise an exhaustive list, but are representative of misconduct that violates the Code and supplies sufficient grounds for discipline. Misconduct not listed here, including conduct prohibited elsewhere in this TKU Catalog, may also result in discipline. Discipline includes but is not limited to removal, suspension, or expulsion.

- Academic dishonesty, such as cheating, plagiarism, or knowingly furnishing false information to the University.
- Forgery, alteration, or misuse of University documents, records, or identification.
- Obstruction or disruption of instructional, counseling, administrative, or other authorized University activities.
- Assault or battery, abuse, or any threat of force or violence or hazing directed toward any person on University owned property, or University sponsored or supervised functions, or conduct which threatens or endangers the health or safety of any person.
- Theft of or willful damage to University property or theft of or willful damage to property of a member of the University community, such as visitors, students, or employees of the University on University property or at an authorized University activity.
- Unauthorized entry onto or use of University facilities.
- Violation of University rules or regulations including University policies concerning student organization, use of University facilities, or the time, place, and manner of student expression.
- Willful failure to comply with directions of University officials, including faculty and staff action in the performance of their duties.
- Use, possession, or distribution of alcoholic beverages, narcotics, or controlled substances on campus (except as expressly permitted by law) or presence on University property or at a University authorized event while under the influence thereof.
- Disorderly, lewd, indecent, obscene or sexually immoral conduct, expression, or language on University owned or controlled property or at University sponsored or supervised functions.
- Verbal abuse in any way that causes defamation or character assassination.

- Possession or use of any item used to threaten bodily harm to any person on University property or at a University function.
- Misrepresentation of oneself or an organization to be an agent of the University.
- Conduct that is in violation of federal, state, or local laws or ordinances while on University premises or at University sponsored activities.
- Abuse of computer facilities or use of computers for anything other than authorized course related work.
- Failure to return school properties such as equipment, books, teaching materials, and any such things that had been loaned for the purpose of teaching or other use after receiving three notices of such failure to return such items.
- Intentionally initiating or causing to be initiated any false report, warning, or threat of fire, explosion, or other emergency on University premises or at University-sponsored activities.
- Intentionally or recklessly misusing or damaging fire safety or other safety equipment.
- Violating the Drug-Free Campus Policy.
- Violating the Sexual Harassment Policy.

Violations in any of the above ways with regard to one's use of the internet, social media, and electronic communication.

Jurisdiction

The TKU Code of Student Conduct applies to all students from the time they accept admission to TKU through the date of their graduation. This includes, but is not limited to:

- New students at Orientation;
- Persons not currently enrolled but who are still seeking a degree from TKU;
- Any person enrolled in a course offered by TKU;
- Any graduated student if TKU determines that his or her degree or receipt of credit may have involved misconduct while he or she was working toward the degree (degree revocation may be invoked).

Non-Academic Discipline

Attendance at TKU is a privilege, not a right. Consequently, enrollment at TKU does not guarantee continuance. TKU has established behavioral guidelines that are consistent with its overall purpose and philosophy as established by the Board of Trustees. Infractions of school policy, either on or off campus, may result in penalties and jeopardize your enrollment at TKU. All non-academic discipline is handled by the Campus Life Team in consultation with the Vice President for Student Development.

Penalties

Campus Life is responsible to adjudicate non-academic disciplinary cases within the University. When a student is found guilty of an infraction, the Vice President for Student Development will impose a penalty deemed appropriate to the offense and in the best interests of both the student and the campus community. The Vice President's decision is final in cases resulting in an oral or written reprimand. Students may appeal other penalties.

Oral Reprimand: An oral reprimand is the least severe penalty that may be imposed for behavioral infractions. A record of an oral reprimand is placed in the student's file and removed upon graduation or transfer if no further disciplinary action is taken.

Written Reprimand: A letter of reprimand is a final warning that any further behavioral problems will result in more severe penalty. A letter of reprimand will state the nature of the problem, the warning given, and a description of the next disciplinary step. A letter of reprimand becomes a permanent part of the student's record.

Official Letter of Reprimand: In some cases, the Vice President for Student Development may issue an official letter of reprimand. This disciplinary letter is an official warning that any further behavior problems may result in dismissal. The letter states the nature of the problem, previous disciplinary action, and a description of the next disciplinary step. A copy is kept in the student's file.

- **Scholarship Forfeiture:** Institutional scholarships may be canceled or reduced.
- **Suspension:** The Vice President for Enrollment Management may suspend a student from access to the campus for a specified period, from attending classes for one to three days, or from attending the next semester.

Dismissal: Dismissal is the most severe discipline TKU will administer to a student. All dismissal decisions are reviewed by the President's Executive Team. Dismissal will include one or more of the following penalties.

- Total loss of academic credit for all courses taken during the semester current at the time the cause for dismissal occurred, regardless of when the offense occurred during the trimester.
- Prohibition from campus for a minimum full semester to an indefinite amount of time, unless specific permission is granted by the Administration.
- The imposition of prerequisites that must be met before readmission will be considered.
- Loss of any institutional scholarship.
- Possible loss of other financial aid.
- If necessary, enforced departure from the campus within 24 hours.

Regardless of the time in the semester, a dismissal is a total loss of academic credit for that semester. Dismissed students will receive prorated refund of tuition. Students who are dismissed from the University must leave within 24 hours and may not return to the campus until authorized to do so by the Administration. The Administration will work with the student to ensure that they fully understand the implications of dismissal.

- Students who have been dismissed for bad conduct may reapply after six months through normal admissions procedures, providing they have met prerequisites that may have been imposed at the time of dismissal.
- Those who have been dismissed for academic reasons may apply for readmission after two semesters. However, readmission is still subject to administrative review.
- The Administration has the right and responsibility to exercise the means of discipline deemed appropriate according to individual cases.

TKU will refund tuition to dismissed students according to the tuition refund policy current at the time of dismissal. TKU is not obligated to readmit a dismissed student. However, a dismissed student may apply for readmission by following normal admission procedures after two complete semesters have elapsed from the effective date of dismissal. Dismissed students must have complied with any prerequisites imposed at the time of dismissal to be considered for readmission.

Cases of dismissal are automatically reviewed by the President's Executive Team at TKU. This task is not a part of the appeal process, but an internal process designed to ensure consistency in the application of policy and to determine if there are new lessons to learn from the cases.

Appeals of Non-Academic Discipline

Students may appeal disciplinary action other than an oral or written reprimand. Appeals must be received by the Vice President for Student Development within two business days of the imposition of the penalty at issue. The Vice President will convene a Discipline Appeals Committee (DAC) within two workdays to hear the appeal. The following guidelines apply.

- The DAC will be composed of three members of the faculty, excluding the applicable Dean or Vice President.
- The DAC will provide the student written notice of the time and place of the hearing.

- The Dean or Vice President will present the charges and the rationale behind the penalty.
- The student will present his or her case and answer any questions asked by the DAC.
- The DAC will deliberate in executive session to determine if the imposed discipline is fair and consistent with stated policies.
- The DAC will recommend a course of action to the President whose decision will be final.

STUDENT GRIEVANCE PROCEDURES

A grievance is a just or supposed basis for complaint arising out of any alleged unauthorized or unjustified act or decision made by a member of the TKU community that in any way adversely affects the status, rights, or privileges of a student. An aggrieved student may complain to the administration to correct the problem. The burden of proof is on the individual who submits a complaint. The grievance process is not the correct means for appealing disciplinary actions.

Step 1 - Informal Action

Seek resolution first through direct, informal communication with the responsible person (Matthew 18:15). Discussion between those involved is encouraged at all stages but is essential in the early stages of resolution. If the complaint cannot be resolved informally, formal action may be taken.

Step 2 - Formal Action

The following procedure is used to resolve a formal complaint.

- a) State the grievance in writing (write a complaint) within 60 days of the alleged event and submit the complaint to the Vice President for Student Development. No special form is needed, but the complaint must include:
 - i) The date you submit the complaint;
 - ii) A description of the grievance that includes all relevant information such as date(s) when the problem was evident, evidence substantiating the grievance, and witnesses; and
 - iii) A proposed resolution, that is, what you want to happen to resolve the grievance.
- b) The Vice President for Student Development has two working days from the date of receipt to forward the grievance to the administrator who will serve as mediator to resolve the matter. Care will be taken to ensure that the mediator has the expertise necessary to resolve the grievance.
- c) The mediator has two working days from the date of receipt to:
 - i) Send to the student an acknowledgement that briefly summarizes the grievance and informs the student that a resolution will be sent within ten working days, and
 - ii) Forward to the President a copy of the grievance and acknowledgement.
- d) The mediator has ten working days from the date of receipt to:
 - i) Investigate the alleged basis for the complaint;
 - ii) Investigate previous efforts taken to resolve the grievance;
 - iii) Investigate any contingencies and take such action that may help resolve the grievance;
 - iv) Send to the aggrieved student a formal response (a statement describing what was or will be done to resolve the grievance); and
 - v) Forward to the President a copy of the formal response.
 - vi) If the student is satisfied with the formal response, the grievance is resolved.
- e) If the student is satisfied with the formal response, the grievance is resolved.
- f) If the student is not satisfied with the formal response, a request for a hearing may be made to the Grievance Committee, which:
 - i) Shall be given a copy of the case to date;
 - ii) Shall schedule a hearing date and time within seven working days of the request and notify all concerned (but not necessarily invite them to attend);

- iii) May invite the student and any witnesses to attend the hearing—the student does not have a right to attend;
 - iv) Shall conduct the hearing as informally as possible, while reviewing and evaluating the case;
 - v) Shall keep its deliberations confidential; and
 - vi) Shall, by majority vote, recommend to the President a course of action to finally resolve the grievance.
- g) The President will issue a decision, which shall be final, in writing to the student within three working days of the hearing.
 - h) The Office of Student Development will maintain the official record of the complaint upon its resolution.

If a complaint is not settled at the institutional level, the student may contact the Texas Higher Education Coordinating Board, 1200 E. Anderson Lane, Austin, TX 78752, P.O. Box 12788, Austin, TX 78711-2788, (512) 427-6101; or an individual may contact the Bureau for Private Postsecondary Education for review of a complaint. The Bureau may be contacted at 2535 Capital Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6924, fax (916) 263-1897; or TRACS, in writing via email at info@tracs.org or by mail at Transnational Association of Christian Colleges and Schools, Box 328, Forest, VA 24551; ABHE, in writing via email at abhe.org or by mail at Association for Biblical Higher Education, 5850 T. G. Lee Blvd., Suite 130, Orlando, FL 32822.

Academic Affairs

SEMESTER HOUR SYSTEM

The King's University (TKU) operates on a traditional semester calendar. There are two semesters in the academic year, which occur from August to May. During the academic year, each session is fifteen weeks in length with an additional week for examinations. The majority of courses are equivalent to three semester hours of credit and thus require a minimum of 45 contact hours. Each semester hour represents one 50-minute period of class instruction for each of the 15 weeks plus approximately 2 to 3 hours of out-of-class involvement per semester hour.

Semester Scheduling

The King's University currently operates on a standard 15-week semester academic calendar with one additional week for examinations. Calendars are published in the catalog and on the website.

Academic Advisement

Academic advisement is intended to assist students in program selection and planning, course selection, and registration. Each semester during the pre-registration period, students are encouraged to review their progress and degree audits, which are available in each student's portal, and course selection with their faculty advisor. Faculties maintain regular-posted office hours to enable students access to their faculty advisors.

Undergraduate Course Load

The normal course load for a full-time undergraduate student is 15 semester hours. The minimum load to be considered full-time is 12 hours per semester. The maximum load in any semester without prior administrative permission is 18 semester hours. Work registered in a previous semester but deferred by an incomplete status is not considered current enrollment.

Graduate Course Load

The normal course load for a full-time graduate student is 9 semester hours. The minimum load to be considered full-time is 9 hours per semester. Work registered in a previous semester but deferred by an incomplete status is not considered current enrollment.

A Doctor of Ministry student will be considered full-time if he/she enrolls in 8-12 hours per academic year, including the summer semester. This means that in two of the three semesters, the student must be enrolled in four credit hours (a three-hour course and a one-hour research/project course). Thus, most students will graduate in three years, while some may take four years to graduate.

Student Classification

The classification of degree candidates is based upon the number of semester hours of academic credit earned.

UNDERGRADUATE

- Freshman: Student has earned 29 semester hours or less.
- Sophomore: Student has earned 59 semester hours or less, but more than 29 semester hours.
- Junior: Student has earned 89 semester hours or less, but more than 59 semester hours.
- Senior: Student has earned more than 89 semester hours.

GRADUATE

- First Year: Student has earned 24 semester hours or less.
- Second Year: Student has earned 25 - 48 semester hours.
- Third Year: Student has earned 49 - 78 semester hours.

Course Changes – Add/Withdrawal

Course changes may occur at any time during designated periods of the term. After registration has closed, the student may initiate withdrawal from a course by use of the Add/Withdrawal form in consultation with his/her advisor. Courses from which a student withdraws are subject to the school's refund policy.

The academic calendar allows for a designated period in which courses may be dropped without recording through the first week of each semester. The academic calendar also allows for a designated period in which courses may be withdrawn from and automatically receive a "W" (Withdrawal). After that date, courses are recorded as "WP" (Withdraw Passing) or "WF" (Withdraw Failing). Failure to attend a course without officially processing an Add/Withdrawal Form will result in a grade of "F" on the student's academic transcript. A "W" and "WP" are not calculated in the term or cumulative grade point average, but a "WF" is calculated as an "F" in determining both the term and cumulative grade point average.

Audit Privilege

Students may audit many of the courses within the curriculum with the prior approval of the instructor. To audit a class means the student has permission to attend the course for personal enrichment without fulfilling the academic requirements. Thus, courses taken as audits or for noncredit do not count toward program requirements. There is an expectation on the part of the institution that students allowed to audit courses will fulfill the normal attendance requirements. Credit students are always given priority when class size is an issue. There is no provision for a student to withdraw from an audited course, and no refunds are issued for audit fees. The audit privilege is not allowed in all courses.

Attendance Policy – On-Ground

The minimum attendance requirement is 75% of seat/contact time. If a student exceeds absences above 25% the faculty will give an automatic grade of "WF." For a regular on-ground class, a student who misses more than four weeks (more than seven classes for courses that meet twice per week or more than three classes for block classes that meet once per week) will receive an "WF" for the course.

Attendance, personal preparation, and attentiveness are essential to learning and thus impact final grades at The King's University. The higher the attendance percentage, the higher the attendance grade rewarded at the end of the course. Missing more than fifteen (15) minutes at the beginning or end of a class period is considered one absence. Three instances of tardiness of fifteen minutes or less equal one absence. The tardy student is responsible for notifying the professor of his/her presence in writing at the end of class. Students who wish to depart early should clear it with the professor prior to class. If a student's final attendance percentage falls below 75%, the student will automatically receive a WF, regardless of the reason(s) for absence.

Attendance Policy – Module Courses

Modules are considered semester long classes which begin at the same time as regular on-ground classes. This means modules open at the same time as regular on-ground classes and attendance is formally recorded at the beginning of the semester. Therefore, students must complete an academic activity assigned by the instructor on the online platform to demonstrate that the student has officially "attended" class, and that financial aid, if

applicable, can be disbursed. Modules will require “pre-work” and “post-work” at the discretion of the instructor. Pre-work includes but is not limited to reading assignments, book critiques, online interactive sessions, or other assignments. Pre-work assignments help students satisfy required academic “contact hours” and prepare students to engage course materials. For a module class, a student who misses more than 25% of the on-ground contact hours will receive an “WF” for the course.

Participation Policy – Online Courses

Students must complete an academic activity assigned by the instructor on Blackboard to demonstrate attendance during the first week of the course so that financial aid may be disbursed. Students who fail to attend an online session 2 course may be subject to adjustment of their financial aid. For an online class, attendance is measured by regular and active participation in the online assignments and activities. The instructor will explain his or her participation requirements in the course syllabus. Students who fail to demonstrate academic engagement for more than a week, and have not notified the instructor, may be considered no longer actively participating in the class. Consequently, the student will be subject to failing the class in the same way as student who stops attending an on-ground class.

Online Student Orientation

All new online students are enrolled in an Online Student Orientation upon enrolling for the first time. The Online Student Orientation assists new online students and introduces them to the University’s online platform and helps them make a smooth transition into the opportunities and expectations of the being a distance learning student. This includes the spiritual, social, and academic life of the school.

Transfer of Credit

TKU welcomes students who have completed academic work at other institutions and will accept courses which are comparable to or which meet the objectives of the TKU curriculum. All students must complete at least one year of residency at TKU. This means that a transfer student must complete at least 30 hours of coursework, or 25% of their degree program (whichever is greater), at TKU. Similarly, graduate students may transfer up to forty-nine percent (49%) of the required credits for their respective graduate degree program. Once this limit has been reached, no other transfer credits may be awarded.

General course transfer criteria for all programs:

- Courses are only eligible for transfer if they are accredited by schools recognized by the Council for Higher Education Accreditation (CHEA) and are similar in nature, content, and credit hours to the courses offered at TKU.
- Only grades of C- and above are eligible for transfer credit. Grades of D+, D, and D- will not be accepted.
- Credit earned through CLEP or AP coursework is transferable provided an official transcript is received by the Office of the Registrar from The College Board.
- Transfer courses will be posted at the same level they were taken at a previous institution. For example, undergraduate courses will not be used to satisfy graduate requirements and vice-versa.
- Grades for transfer courses are not calculated into the student’s GPA at TKU.
- Graduating students are not allowed to transfer hours taken at another institution if the hours are taken during their final semester at TKU.

Additional criteria for graduate programs only:

- No more than one-half of completed credits earned as part of an awarded graduate degree may be applied to, or transferred into, another TKU graduate Board-approved Degree.
- Non-theological courses are not normally considered for transfer credit.

Unaccredited Institutions Transfer Policy

The King's University has established articulation agreements with a number of unaccredited institutions for the purpose of transferring credits to TKU. These articulation agreements are eligible to transfer a limited amount of credits from an unaccredited institution based on pre-established equivalency tables. For a current listing of the institutions, please contact the Admissions Department.

In addition to established articulation agreements, transfer of credit up to twelve (12) undergraduate lower-level (1000-2000) semester hours may be awarded as elective credit, subject to the degree requirements, from approved non-accredited institutions in which TKU does not have a preexisting articulation agreement. To be eligible for transfer, students must contact the Office of the Registrar and submit a petition for each class to be approved for transfer.

Directed Studies

A directed study is a catalog course offering available to associate students, juniors and seniors in a bachelor's program, and graduate students in a non-classroom setting with the consent of the instructor, academic advisor, and respective dean of the graduate or undergraduate schools. Students may take no more than two courses or seven (7) hours in directed studies. Directed studies may not be used to complete TKU Core Curriculum Requirements or to re-take courses for credit. Exceptions to these requirements must be approved by the respective undergraduate or graduate dean.

Independent Studies

Undergraduate:

A student with advanced standing may pursue an independent study or research project in his or her major area, with the approval of the advisor, instructor, and the dean of the respective graduate or undergraduate school. Prerequisites include completion of at least eighteen (18) semester hours in the major with a minimum 3.00 GPA. Students may take no more than two courses or six (6) semester hours in independent studies or research projects.

Graduate:

A graduate student who has completed at least eighteen (18) semester hours and has maintained a minimum GPA of 3.3 (B+) may petition to pursue an independent study or research project in a specialized area with the approval of the student's advisor, a supervising professor, and the graduate studies dean. The student will submit a 300-word abstract for the proposed project that states the reason for the project, lists the resources to be studied and researched, and outlines the specific topics that will be addressed in the project. In addition, the student must secure the approval of a professor who will supervise the independent study. Only full-time TKU professors may oversee Independent Studies and only when the independent study involves research within the professor's area of study and expertise. Students may take no more than two courses or six (6) semester hours in independent studies or research projects. Independent studies count toward the limit of six (6) semester hours of directed studies in a student's graduate degree program.

Advanced Placement (AP)

TKU participates in the Advanced Placement (AP) Program of The College Board. Credit will be awarded for the AP tests listed in the following chart. No credit will be awarded for AP tests that are not listed. Letter grades are not given in any course for which credit is granted. These credits may be used to satisfy degree requirements, but do not apply to the 25-percent-credit-hour residency requirement.

PRIOR LEARNING ASSESSMENT (PLA)

Undergraduate students of TKU have the option of seeking experiential learning credit based on the demonstration and documentation of competencies learned from years of practical ministry or marketplace experiences. Students who wish to earn experiential credit are required to complete UNIV3601 Portfolio Development. This course provides the background, tools, and guidance needed to successfully submit a portfolio.

Procedure:

- The student enrolls in UNIV3601 Portfolio Development course (6 credit hours) for elective credit.
- Upon completion of UNIV3601, a student submits a PLA portfolio documenting experiential learning for one or more TKU courses and is awarded a grade for course work. These courses fall under one of two areas:
 - TKU Equivalent Courses: major courses, practicum courses, and electives.
 - Open Portfolio Electives: these are courses created as open electives based upon the acceptance of satisfactory petitions.

3. The UNIV3601 Portfolio Development course must be completed at minimum one semester prior to degree completion.
4. The student may not submit a portfolio to earn credit for a course which he or she has previously failed at The King's University or another post-secondary institution.
5. The maximum amount of credit a student may earn through PLA is thirty (30) semester hours.
6. Courses that are eligible for CLEP credit according to the current academic catalog are not eligible for Portfolio Development credit.
7. Credit hours earned through PLA do not apply to the minimum TKU credit requirements for a degree program. (see "Transfer of Credit – Undergraduate Studies," p. 50-51)
8. The portfolio is the property of the student, and after evaluation and notification, the student may retrieve his or her portfolio.
9. The portfolio evaluation results may not be appealed.
10. The portfolio course may only be completed once and may not be repeated.

PROFICIENCY TESTS

English Proficiency

Students admitted to TKU are expected to have strong reading and writing skills. TKU evaluates each applicant as an individual. Transcripts, standardized test scores, and the application essay are elements that TKU considers when reviewing applications.

Students who are admitted with the requirement to complete a college-readiness course will take an online diagnostic assessment. The assessment will generate an individualized learning path for a competency-based, skill-building program to improve academic preparedness in reading and writing. The program is a prerequisite for ENGL 1301 and must be completed during the first semester the student is enrolled in TKU.

Eligibility for Courses

It is the student's responsibility to ensure that all prerequisite courses and requirements have been fulfilled before enrolling in a course. Failure to do so may result in de-enrollment with potential financial and credit lost to the student.

Continuous Enrollment

Students admitted to TKU are expected to maintain continuous enrollment during the regular two semesters of the academic year until their program is completed. This means they must be enrolled in at least one (1) course for the Fall and Spring semesters each academic year. Failure to maintain continuous enrollment voids the admission status and may require students to begin repaying within a short time Title IV educational loan funding they have obtained.

Concurrent Studies

Concurrent enrollment refers to taking courses at another university or community college (online, web-based, or traditional classroom) while also enrolled in classes at TKU. Students desiring to take courses at other schools which will count towards their TKU's program must submit a Petition for Concurrent Studies. The following criteria must be met for approval to be considered:

- The student must be a full-time student at TKU
- The student must meet with his or her academic advisor to obtain permission
- The student is not in their first enrollment semester at TKU

- The student has a cumulative GPA of 2.25 or higher

If the student drops below full-time status at TKU any time during the semester, TKU will not count any course taken concurrently. Students receiving financial assistance for their studies should contact the financial aid office to learn of any consequences when dropping to part-time status.

Catalog Requirements

Students admitted to the school are subject to the catalog under which they are matriculated, i.e., the catalog in current use at the time of their initial enrollment.

Students who interrupt their studies must reapply for admission and are subject to the catalog in use at the time of reenrollment. This includes the responsibility to meet any changes in the program they are pursuing.

During the academic year(s) for which this catalog is designated, changes may occur in curriculum, faculty, or other important areas covered in this publication. Appropriate notice will be provided to interested parties. However, all provisions herein contained are subject to change without notice and do not constitute a contract or offer to contract with any person.

Student Responsibility

It is the student's responsibility to know and understand academic policies related to his or her program. The student should be familiar with the information in the academic catalog and the student handbook. Both are updated regularly.

While the school provides advisement services to its students through faculty advisors, the final responsibility rests with the student for fulfilling all the requirements for graduation, including those identified in official program audits. Students are encouraged to visit with the Registrar the year before graduation to confirm the accuracy of their program audit and their plans for fulfilling graduation requirements. This shall include requirements resulting from program modifications affecting course offerings as may be adopted by the faculty.

Course Requirements

Course requirements must be fulfilled during the time parameters established by the course syllabus. Written work or assigned reading prepared to meet the requirements of one course may not be submitted to meet the requirements of another course.

Style Guides Policy

Each academic department at TKU determines the style guide that students will use when writing papers and preparing written work for courses in those departments. Students in the undergraduate counseling program will use the APA (American Psychological Association) Style Guide. Students in all other undergraduate programs will use Turabian's Manual of Style, Eighth Edition. Students in the graduate biblical and theological studies programs (MDIV, MPT, MDIV/MJS, MPT/MJS) may use Turabian or the Society of Biblical Literature (SBL) Style Guide. Students in the Marriage and Family Therapy program will use the APA Style Guide. Students in the Doctor of Ministry program will use Turabian, A Manual for Writers. Messianic Jewish students will use the Society of Biblical Literature (SBL) Style Guide.

Grading System

Grades are recorded by letter and grade point according to the scale listed below. Only courses completed with a C- level grade or above will count towards the completion of a degree program. Courses in which a grade below a C- (or below a B in doctoral courses) is earned are recorded on the student's transcript and are included in the determination of the grade point average (GPA).

Grade	Scores	GPA
A	93+	4.00

Challenges to Grades

Challenges to grades received for or during a given semester must occur by the end of the subsequent semester. No challenges will be considered beyond that period.

Withdrawals

After the designated time on the academic calendar for withdrawal without recording, withdrawals are noted with one of the following designations: “W” (Withdrawal), “WP” (Withdraw Passing), “WF” (Withdraw Failing). “W” and “WP” are not calculated in the term or cumulative grade point average. However, a “WF” is calculated as an “F” in determining the term and cumulative grade point average. Courses receiving a grade of “W,” “WP,” or “WF” count as hours attempted, but are not calculated when factoring the quantitative satisfactory academic progress ratio.

No-Show Policy

An student who does not attend a class the first week of the semester or online session 2 will be classified as a “no show” student and will be administratively withdrawn from that class at the end of add/drop week. Please see attendance policy for attendance requirements. Upon withdrawal of a “no show” student, all charges for classes will be removed and financial aid will be removed.

Incomplete Policy

A student may petition for a grade of Incomplete in a course when he or she is unable to complete the required coursework due to unforeseen, extraordinary circumstances, such as a death in the family or disabling sickness. The petition must be approved and signed by the course professor along with the student’s academic advisor and submitted by the student to the Office of the Registrar prior to the last day of the semester or the last day of an online session 1 course. No petitions will be received after these days. The request can only be made after the halfway point of a course. If the petition is submitted before that time, the petition will be denied. Decisions regarding incomplete petitions are made by the dean of the respective graduate or undergraduate school. If approved, the student will be subject to an academic plan determined by the professor and outlined in the Incomplete Contract, and the professor will be required to submit a final grade to the Office of the Registrar no later than the final day of the following semester. If the coursework is not completed by the deadline listed on the Incomplete Contract, the student will automatically receive the grade assigned in the contract for the course. Grades of Incomplete are not computed in the grade point average.

If the emergency or significant event results in multiple courses being affected, then the student must obtain approval from all of their professors.

Academic Honors

The Dean’s List recognizes undergraduate students carrying at least 12 credit hours in a semester who have earned a Term GPA of 3.5 or higher and a cumulative GPA of 3.30. The Dean’s List recognizes graduate students carrying at least 9 credit hours in a semester who have earned a term GPA of 3.7 or higher, with no grade below a B, while also having a minimum cumulative GPA of 3.30.

The President’s List recognizes undergraduate students carrying at least 12 hours in a semester who have earned a term GPA of 4.0 with a minimum cumulative GPA of 3.30. The President’s List recognizes graduate students carrying at least 9 hours in a semester who have earned a term GPA of 4.0, with a minimum cumulative GPA of 3.30.

Assignments

All assignments are due on the dates established by the course professor and the course calendar. Assignments turned in after the scheduled due date will be penalized according to the professor's course policy.

Final Examinations

All final examinations must be taken at the scheduled time. Early final exams are not allowed and late exams are given only when extenuating circumstances are present (sudden, major illness, death in family). A request for a late examination must be approved by the professor in order to make up a final exam.

Repeated Courses

Only courses completed with a C- or higher level grade (B or higher level grade for doctoral programs) count towards program completion. Only courses wherein the student receives a grade that does not count towards program completion may be repeated. In such cases the student will complete all the requirements of the repeated course. Both grades remain on the student's transcript, but only the repeated effort is calculated into the GPA. Both courses count as attempted hours, but only the second will be counted as completed for calculating quantitative satisfactory academic progress ratio.

If a course is repeated more than once, only the first attempt is deleted from the student's GPA. All further repeats are used in computing the student's cumulative grade point average. The grade from the last attempt will determine credit earned to satisfy degree requirements.

Transcripts

Official transcripts will be released by the Office of the Registrar. Your account must be cleared of all holds before your request can be processed. There is a \$5 fee plus a \$1.75 online processing fee for eTranscripts for each official transcript requested via the National Student Clearinghouse.

Official Grades

Official grades from each professor are due one week after mid-term/final exams. After receiving the grades, the Office of the Registrar records the mid-term/final grades and publishes them through the Student Portal.

SATISFACTORY ACADEMIC PROGRESS, PROBATION, AND SUSPENSION

Satisfactory Academic Progress Policy

TKU's Satisfactory Academic Progress (SAP) policy determines whether students are making reasonable progress toward completing their degree within the federally mandated maximum of 150% of the stated credit hours for the degree. Students must achieve and maintain SAP to continue at TKU. SAP is defined qualitatively (minimum cumulative GPA: 2.0) and quantitatively (minimum earned hours: 67%) to comply with applicable laws governing federal, state, and institutional student aid. **Qualitative (Minimum Cumulative GPA: 2.0)**

The student must maintain a minimum cumulative GPA of 2.0 to achieve the qualitative measure of SAP, which is the minimum GPA required for graduation. Failing to maintain the minimum GPA jeopardizes the student's ability to graduate.

Quantitative (Minimum Earned Hours: 67%)

The student must complete the degree within 150% of the stated credit hours for the degree. The limits are:

Degree	Hours in Degree	Maximum Attempted Hours
Associate of Christian Ministries	65	97.5
Associate of Worship Leadership	64	96
Bachelor of Biblical Counseling	124	186
Bachelor of Biblical & Theological Studies	124	186
Bachelor of Christian Ministries	124	186
Bachelor of Intercultural Studies	124	186
Bachelor of General Christian Studies	124	186
Bachelor of Media Arts	127	186
Bachelor of Worship Leadership	129	193.5

Thus, the student must earn 67% of the semester's Attempted Hours to achieve the quantitative measure of SAP. Credits with final grades of "C-" or higher are considered "Earned Credit." Credits with final grades lower than a "C-" ("D," "F," "I," "W," "WP," "WF," or "AUD") are not considered "Earned Credit." A student attempting five (5) semester hours or less must earn all of the Attempted Hours to meet the quantitative measurement of SAP. Students must earn at least 67% of each semester's Attempted Hours to complete the degree within 150% limit, as shown below.

Attempted Hours

Attempted Hours	Earned Hours	Attempted Hours	Earned Hours	Attempted Hours	Earned Hours
22	15	16	11	10	7
21	14	15	10.5	9	6.5
20	13.5	14	9.5	8	5.5
19	13	13	9	7	5
18	12.5	12	8.5	6	4.5
17	12	11	7.5	5	5

Evaluation of Academic Progress

Students can monitor their academic progress in all of their courses at any time through TKU's Student Portal. At the end of each semester, the Registrar will evaluate students for SAP and identify which students require academic rehabilitative measures, and report them to the Academic Office.

Academic Rehabilitative Measures

Academic performance that fails to achieve SAP will result in Academic Watch, Academic Probation, or Academic Suspension. All of these rehabilitative measures involve mandatory requirements designed to help the student overcome any challenges related to achieving SAP. Academic status is communicated through the Academic Office in a letter to the student and an email the student's TKU email address. Students who fail to satisfactorily complete the requirements of Academic Probation will be subject to Academic Suspension.

Academic Status	Definition	Requirements
Good Standing	2.25 GPA or higher	Maintain your GPA
Academic Watch	Cumulative GPA lower than 2.25 but still above a 2.00	<ul style="list-style-type: none"> • Meet with the Student Success Administrative Assistant • Attend one Success Skills workshop in that semester • Meet with your academic advisor • Attend one (1) documented tutoring session either online or on-ground

Academic Suspension	Cumulative GPA remains below 2.0 for two (2) consecutive semesters and/or failure to complete at least 67% of attempted hours for two (2) consecutive semesters.	<ul style="list-style-type: none"> • Suspended from TKU for the next semester • May apply to re-enroll by completing Reapplication Form <p><i>*Students on Academic Suspension are unable to receive financial aid and, upon return, must come back into compliance with the satisfactory academic progress standard (SAP) without the benefit of financial aid.</i></p>
Academic Expulsion	Failure to succeed after second suspension	<ul style="list-style-type: none"> • Withdraw from the University • Reapply the following semester through the Admissions Office

Compulsory Withdrawals

A student's continued enrollment at TKU is a privilege based not only on satisfactory scholastic status, but also on good emotional health and behavior. If, in the opinion of the administration, the student demonstrates evidence of emotional instability, the student may be referred by the administration to an approved counseling professional for evaluation.

Refusal to obtain the evaluation when requested shall be cause for the involuntary withdrawal of the student by the administration. If the counseling professional recommends that the student withdraw from TKU, the student will have 3 business days from the recommendation to withdraw voluntarily; TKU will administratively withdraw the student if the student does not withdraw voluntarily. The appropriate Dean shall inform the student in a face-to-face meeting, followed up in writing, of the effective date of the withdrawal and shall explain the procedure for readmission to TKU. Application for readmission after involuntary withdrawal will require evaluation by a TKU-approved counseling professional at the student's expense. In no case shall readmission be granted after such withdrawal without the approval of a TKU-approved counseling professional.

APPEALS AND GRIEVANCES

Academic Appeals and Personal Grievance Policy

TKU has an established process for resolving concerns and complaints within the University. Any student personally aggrieved by a staff member's words, actions, or decisions may submit an appeal or grievance to their appropriate Dean. The Academic Committee will convene to consider the appeal or grievance.

The student must notify their Dean or Chair in writing of his/her intent to appeal the sanction or to pursue the grievance within 30 days of the student's notification of the sanction or the event of personal grievance. If student does not provide this written notice, with applicable documentation, within 30 days of the sanction notice or event, he or she waives the right to pursue the appeal/grievance.

The written appeal must be submitted in writing (email and/or hard copy) and include the following:

- The heading "Academic Appeal";
- Student's name and Student ID Number;
- Nature and background of appeal/grievance;
- Date of occurrence and/or notification;
- Date and description of University communication with outcome;
- Signed and dated, or with email signature.

The appropriate Dean will present the grievance in accordance with the nature of the grievance:

- **Academic Dishonesty Sanction:** The appropriate Dean will provide a copy of the appeal to the instructor involved and convene the Academic Committee to review the student's appeal and render a decision.
- **Personal Grievance:** The appropriate Dean will provide a copy of the grievance to the staff member involved and convene the Academic Committee to review the student's appeal and render a decision. The Academic Committee may decide to gather more information from the student and a peer (student) advocate of the student's choice.
- **Satisfactory Academic Progress sanction:** The student must submit an Academic Suspension Appeal with the required documentation to his/her appropriate Dean. The Dean will request and convene the Academic Committee to review the student's appeal and render a decision. If the student's appeal is accepted, the student will be placed on Academic Probation for the next semester. Unusual or mitigating circumstances for which a suspension may be appealed include, but are not limited to, 1) the

death of a relative of the student, 2) debilitating injury or illness of the student, 3) other emergency or special circumstances.

- **Grade Appeal:** If a student is not satisfied with the final grade awarded for a course, he/she may first appeal to the faculty member awarding the grade. If the student is not satisfied with this initial appeal, he/she must write a letter to his/her Dean explaining in detail why the grade is unsatisfactory and provide documentation (such as, but not limited to, copies of the student's work). The Dean will provide a copy of the appeal and the supporting documentation to the instructor involved. If, after receiving the student's letter, the faculty member agrees that the grade should be changed, he/she will notify the Registrar in writing of the change. If the faculty member maintains that the grade is correct, the Dean will request and convene the Academic Committee to review the student's appeal and render a decision. If a grade change is necessary, his/her Dean will notify the Registrar. *

**See also Grading System*

All decisions will be communicated in writing to all applicable parties.

If a complaint is not settled at the institutional level, the student may contact the Texas Higher Education Coordinating Board, 1200 E. Anderson Lane, Austin, TX 78752, P.O. Box 12788, Austin, TX 78711-2788, (512) 427-6101; or an individual may contact the Bureau for Private Postsecondary Education for review of a complaint. The Bureau may be contacted at 2535 Capital Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6924, fax (916) 263-1897; or TRACS, in writing via email at info@tracs.org or by mail at Transnational Association of Christian Colleges and Schools, P.O. Box 328, Forest, VA 24551; ABHE, in writing via email at abhe.org or by mail at Association for Biblical Higher Education, 5850 T. G. Lee Blvd., Suite 130, Orlando, FL 32822.

Time Limits for Programs

TKU does not provide maximum time limits for the completion of academic programs. The institution encourages students to complete their programs of study in a timely manner. Students receiving financial assistance for their studies and who intend to take longer than the published program length should contact the financial aid office to learn of consequences to their financial aid.

Program Change

Any student enrolled in an undergraduate or graduate program who desires to change programs must submit a Petition for Program Change to the Office of the Registrar.

Degree Conferral/Graduation

TKU confers degrees at the end of each academic semester: Fall, Spring, and Summer. However, there is only one commencement ceremony at the end of the Spring semester. Students expecting to graduate must submit their Application for Graduation to the Office of the Registrar by the submission deadlines outlined in the Graduation Information Packet. To graduate, the student must demonstrate that all requirements for the completion of their program will be fulfilled by the time of graduation. Should a student receive a non-satisfactory grade in a course required for degree completion, their degree will not be conferred and the student will need to reapply for graduation once the outstanding requirements have been completed. Students must have a minimum cumulative GPA of 2.0 to graduate.

Graduating with Honors

Undergraduate: Students fulfilling all degree requirements and earning a grade point average of 3.9 or above will graduate summa cum laude. Students completing their program with a 3.7 to 3.89 will graduate magna cum laude. Those completing the program with a grade point average of 3.5 to 3.69 will be graduated cum laude.

Graduate Studies: Students completing all degree requirements with a 4.0 grade point average are graduated "With High Honors." Those achieving a grade point average of 3.80 to 3.99 are graduated "With Honors."

Degrees Awarded Posthumously

In exceptional circumstances, TKU may award degrees posthumously. The Registrar may award the appropriate degree on the recommendation of the student's advisor or the undergraduate or graduate dean. The recommendation will be considered if the student was enrolled at the time of death, was in good academic and disciplinary standing, had substantially completed the requirements for the degree to be awarded, or was otherwise subject to special consideration.

For graduate degrees requiring a final research component, such as a dissertation, thesis, or research paper, at the time of the student's death, the research proposal must have been signed by each committee member and a significant portion of the dissertation, thesis, or research paper must have been reviewed by the committee and found to be acceptable. For degrees not requiring a research component, the student must have been, at the time of death, enrolled in courses that would have completed the degree requirements.

Upon approval, the Office of the Registrar will award the degree at the next Commencement ceremony or present it to the student's family in an appropriate setting. Diplomas for posthumous degrees will be identical to other degrees awarded in the same Degree Programs.

Academic Integrity Standard

Students have a responsibility to promote academic integrity at TKU by not participating in or facilitating others' participation in any act of academic dishonesty and by reporting all violations or suspected violations of the Academic Integrity Standard to their instructors. Intellectual responsibility applies to all work done by students.

Violations of the Academic Integrity Standard (academic violations) include, but are not limited to:

- Cheating: (1) Using or attempting to use or providing others with any unauthorized assistance in taking quizzes, tests, examinations, or in any other academic exercise or activity including working in a group when the instructor has designated that the quiz, test, examination, or any other academic exercise or activity be done "individually;" (2) depending on the aid of sources beyond those authorized by the instructor in writing papers, preparing reports, solving problems, or carrying out other assignments; (3) substituting for another student, or permitting another student to substitute for oneself, in taking an examination or preparing academic works; (4) acquiring tests or other academic material belonging to a faculty member, staff member, or another student without express permission; (5) continuing to write after time has been called on a quiz, test, examination, or any other academic exercise or activity; (6) submitting substantially the same work for credit in more than one class, except with prior approval of the instructor; or (7) engaging in any form of research fraud.
- Falsification: altering or fabricating any information or citation in an academic exercise or activity.
- Plagiarism: representing, by paraphrase or direct quotation, the published or unpublished work of another person as one's own in any academic exercise or activity without full and clear acknowledgement. It also includes using materials prepared by another person or by an agency engaged in the sale of term papers or other academic materials.

Discipline Regarding Academic Integrity Violations

An instructor has full autonomy to evaluate a student's academic performance in a course. If a student commits an academic violation, the instructor may sanction the student. Such sanctions may include: (1) requiring the student to rewrite a paper/assignment or to retake a test/examination; (2) adjusting the student's grade – for either an assignment/test or the course; (3) giving the student a failing grade for the course; or (4) taking actions as appropriate. Additional disciplinary action beyond instructor sanction shall be determined by the Academic Committee.

The penalty that TKU will impose on a student for the first Academic Integrity violation is placement on academic integrity probation after the first offense.

The penalties that TKU may impose on a student for multiple or egregious academic integrity violations are:

- Probation: continued participation in an academic program predicated upon the student satisfying certain requirements as specified in a written notice of probation. Probation is for a designated period of time and includes the probability of more severe disciplinary penalties if the student does not comply with the specified requirement or is found to be committing academic integrity violations during the probationary period. The student must request termination of the probation in writing.
- Suspension: temporary dismissal from an academic program or from the University for a specified time, after which the student is eligible to continue the program or return to the University. Conditions for continuance or readmission may be specified.
- Expulsion: permanent dismissal either from an academic program or from the University.
- Assigning a designation with a course grade indicating an academic integrity violation involving academic integrity. Conditions for removal may be specified, but the designation remains on the student's transcript for a minimum of one year; provided however, that once the student's degree is posted to the transcript, the designation may not be removed thereafter.
- Denial or revocation of degrees.

Request for Policy Exception

Students may petition to have stated policies modified in a given situation due to extenuating circumstances. The student must submit a Petition for Policy Exception online form to the Office of the Registrar for submission to the Academic Office.

Change of Grade

Grades reported by the professor are considered permanent and final. Under specific circumstances, a change of grade may be requested: to correct a clerical or procedural error or to change an Incomplete to the earned grade.

The student must contact the course professor and communicate the clerical or procedural error. The professor will complete a Request for Grade Change Form and submit it to the Office of the Registrar.

Any changes to grades must occur by the end of the subsequent semester.

Deferment Policy

Students are accepted for a specific semester; however, they may defer enrollment for any semester up to one (1) year before they are required to reapply.

Withdrawal from the Institution

Students wishing to withdraw from the school must complete an Official University Withdrawal Form, obtain the required signatures, and submit it to the Office of the Registrar. Courses must be officially dropped or a grade of F will be entered on the academic transcript.

Failure to properly withdraw may result in the student not being allowed to re-enroll in the future or to receive proper refunds.

Leave of Absence

A student may need to take a semester or more off from school. These reasons may include financial challenges, family issues, personal issues, health, etc. TKU calls this a “leave of absence” and allows such a break in enrollment for up to two academic semesters before the student will be subject to readmission procedures. By filing a temporary leave of absence, a student can return to the university without penalty. If the student does not return to TKU within the time originally requested (no longer than a year), the student will be considered as having withdrawn from the University.

Criteria

- SAP - Cumulative GPA of 2.0 or better
- Student account paid in full
- Meeting with the student's advisor
- Minimum leave - one academic semester, maximum two academic semesters (excluding the summer semester)

Students who do not return at the end of the approved leave or students who drop all their courses without being granted official leave of absence will be required to apply for readmission. If readmitted, the student will reenter the university under the current catalog.

Financial Aid

While on leave of absence, the University reports enrollment status to lenders and loan service entities as “not attending” (students are advised to contact their lender(s) for repayment information and grace period expiration). Also, students who request a leave of absence during a term of enrollment may be subject to a reduction of financial aid funds due to Department of Education policy.

Incomplete Work

Students on leave may complete coursework for which an Incomplete grade was reported in the prior term and are expected to comply with the one-semester time limit for resolving incompletes. If the coursework is not completed within that timeframe, the student will receive failing grades for the Incomplete courses.

Deadline

Students should apply for a leave of absence before the semester begins. If a student wishes to withdraw during the semester, regular refund policies shall apply, and the leave of absence will be considered to have begun at the beginning of the subsequent semester. The withdrawal policy will dictate how the grade is documented on the transcript.

You may not take a leave of absence to attend another college. Regulations state that you must withdraw from your current school so as not to be dual-enrolled. If you plan to take classes elsewhere, you must fill out an Official University Withdrawal Form rather than a Leave of Absence Form.

Dismissal

The institution reserves the right to dismiss any student failing to make satisfactory academic progress towards his/her program, who violates academic honesty standards or the school's lifestyle policy, and/or fails to meet his/her financial obligations.

THE KING'S LIBRARY

Recognizing that the library is a significant focal point of academic life and is an integral part of the educational training process, TKU is always in the process of advancing and improving upon access to its numerous library holdings (currently numbering over 160,000 volumes). These holdings provide direct access to resources for students taking classes on the ground in these regions.

In addition to these resources through TKU Library, students are able to avail themselves through local networks of libraries, whether through established relationships by The King's Library or through their own local public libraries. Some examples are: in Texas, students as members of participating institutions in the program have access to a wealth of materials through the state of Texas's TexShare program; and Colorado, with its Colorado Library card, enables students of TKU to borrow through their public library memberships from a collection numbering close to 30,000,000 items. Many other states provide such access to physical resources.

Augmenting such physical resources is TKU's electronic offerings through two different vendors: Ebsco and ProQuest.

Ebsco gives TKU full-text access to ATLA's database of approximately 1,400 periodical titles, most of which are scholarly and peer-reviewed. It also gives access to TKU's collection of eBooks that numbers approximately 140,000 titles. These span a large range of subjects.

ProQuest gives full-text access to two databases. ProQuest Religion is their subject-specific database containing access to 150 peer-reviewed journal titles. ProQuest Research Library is their generic "work horse" database containing access to 4,000 full-text journal titles in every conceivable subject area.

This wealth of resources available serves to show that TKU is in a good position to continue serving the research needs of its growing and expanding community.

TKU CAMPUS STORE

The TKU Campus Store at the Southlake Campus provides students with both academic and spiritual resources. Textbooks, reference volumes, and Bibles are offered at discounted prices. Upon request, the TKU Campus Store will "special order" selected items not in stock.

STUDENT SUCCESS CENTER

The Student Success Center (SSC) exists to assist undergraduate and graduate students in achieving their academic goals. As a resource for students and faculty, the SSC works to provide multiple opportunities for mastering the strategies, skills, understandings, and attitudes that foster effective and self-directed learning in college and beyond. The SSC strives to offer a learning environment that is personal, caring, and accessible. Undergraduate Academic Program Overview

Biblical and Ministry Curriculum

The primary goal of the curriculum at The King's University is to enable students to become effective instruments of Christ, both personally and vocationally. The focus of the curriculum is upon biblical, theological, and the practices of ministry studies. The curriculum offers the opportunity for students to master the content of the Word of God, to understand its truths, to apply those truths, and to learn to convey those truths to others. The systematic study of God's Word allows students to become sensitive to their own spiritual formation and potential before Christ as well as effective in applying the Word to a changing culture.

Ministry skill courses and supervised ministry opportunities provide students with the knowledge, tools, and experience of applying the truths of God to the needs of people. Students learn to share biblical truths through preaching, teaching, witnessing, counseling, caring, and modeling.

Biblical Worldview

In the preparation for ministry, it is necessary for students to obtain an advanced body of knowledge and to develop a high level of analytical and reflective skills that are expected of college graduates. The curriculum is designed to enable students to engage their beliefs and the disciplines necessary to formulate a solid biblical and Christian worldview and mindset for life and ministry. Students should be able to engage their culture informed by their theological beliefs. A worldview from creation through the annals of history which provide a framework for interpreting and integrating the work of God and humanity in light of the teachings of Scripture should be developed by students.

Experiential Learning

A significant design component of the undergraduate degree program for students includes participation in a thorough ministry training program within the ministries of the local church. For students at the Southlake campus, this practical weekly involvement will allow students to experience firsthand the ministry and leadership culture of Gateway Church and expose them to the diverse ministry challenges found in a dynamic, healthy, growing church. At the same time, TKU understands and respects the commitment of resident and online students to their local churches. Thus, students may also fulfill their experiential learning requirements at their local church or appropriate ministry.

Experience-based learning courses provide students with the opportunity to integrate what they learn in the classroom with practical experience. They give students further opportunity for supervised ministry training in field settings so that they attain higher proficiency as reflective practitioners.

Experiential learning at TKU happens through two primary venues. First, practicums are integrated into the degree programs during the student's junior year. Sophomores will participate in a practicum prep course designed to prepare students for the experience as well as facilitate discovery of appropriate practicum choices. Practicums typically are 4 to 6 hours per week spread over 1 to 2 days during the entire 15-week semester. Meeting times can be flexible depending on student schedules and ministry events. Secondly, the student will complete an internship during the senior year. This internship will be supervised by a faculty mentor and take place in the field context relevant to the student's major.

Graduate Academic Program Overview

ACADEMIC PROGRAMS | GRADUATE Graduate Program Curriculum

With a mandate to raise up Christian leaders for the Church and community, the University recognizes the revolutionary view of leadership presented by Christ. Scripture declares that leaders are first servants and humility is the true essence of ministry. So profound and significant is this truth and blueprint for ministry that the Gospels state it several times. We are repeatedly instructed to become servants if we desire to be leaders in the Kingdom of God. Thus, we must know that God is calling ministers to be His servants, and He has given us the unsurpassed model of His Son as an example to follow. Even as Christ faced death, He modeled obedience.

The curriculum of The King's University Graduate Program has been developed to prepare servant leaders with a strong vibrant knowledge of the Word of God and with a balanced theological position within the Kingdom. The curriculum is intended to develop the ministering servant as person, leader, communicator, shepherd, teacher, worshiper, caregiver, reconciler, counselor, and administrator. There is a thorough integration of biblical and theological knowledge with practical hands-on supervised ministry experience. Taught by a Spirit-filled faculty, seasoned with professional ministry experience and academic enrichment, the curriculum is geared to produce Spirit-formed servant leaders for the twenty-first century Church.

Course Formats

- Semester Classes: Courses offered over a 15-week period that usually meet once or twice a week. Courses are conveniently scheduled to enable students to work or participate in ministry.
- Module Classes: Intensive courses with pre- and post-coursework. All programs may be completed through these on-campus courses that encompass the same number of contact hours as a semester length class.
- Online Courses: Students can work on their courses anytime day or night. Each course is seven weeks in length and provides active interaction with the professor and student colleagues. Courses may be taken online towards any Masters program.

The King's University exists to provide graduate professional training for the equipping of effective Spirit-filled leaders for ministry in the Church and community. The University equips men and women to fulfill the ministry call God has placed upon their lives, to equip them to proclaim the gospel with vitality and effectiveness, to minister with compassion, and to convey Christ's resurrection power of hope. Its goals are to integrate biblical and theological training with practical skills essential for effective ministry and to provide a scriptural balance of:

- Biblical exposition with prophetic insight;
 - Sound theology with spiritual passion;
 - Pastoral sensitivity with evangelistic fervor; and
 - Commitment to character with a quest for the Charismatic.
- Combining classical, professional, theological education with a Spirit-filled practice of ministry, the University seeks to prepare and empower leaders for ministry in evangelical Spirit-filled communities of faith.

Graduate Program Objectives

Developing from the purpose and goals of the joint mission of the college and seminary, The King's University purposes to fulfill its mission by:

- Providing classical, professional, theological training within an evangelical, Spirit-formed, and ecumenically sensitive ethos, with deep appreciation for the Jewish roots of our faith.
- Preparing men and women for servant-oriented, lay and credentialed ministry both in the congregation and broader society.
- Cultivating discerning leaders whose lifestyles reflect the ethical and moral vision of the Sacred Scriptures.
- Developing leaders who understand and cultivate the corporate practice of spiritual gifts in relation to the maturation of their professional skills and the fulfillment of their unique ministry callings.
- Fostering passionate leaders who recognize God's mission to send throughout the world workers for the Kingdom of God and essential partners toward the fulfillment of the Great Commission (Matthew 28:19-20).
- Enabling students to integrate biblical, theological, and professional skills through reflective and supervised ministry experiences.

Graduate Bible Assessment

In order to provide students an opportunity to demonstrate their background in biblical studies, all Master of Divinity students are required to take the Graduate Bible Assessment upon admission to the university. Students are also required to attend an introductory workshop on Old Testament, New Testament, and Biblical Interpretation. The workshop will be waived for those students whose Graduate Bible Assessment score is 75% or higher. This workshop must be completed before students are permitted to enroll in graduate Bible or hermeneutics courses.

The Church and the Jewish People (expanded statement)

The King's University affirms that we worship the same God as the Jewish people and that we inherited from them our understanding of monotheism—the very foundation of our faith (Deut 6:4-5; Mark 12:26-31; Luke 1:68)—because faithful Jewish witnesses have transmitted this knowledge to the world since the time of Abraham.

We owe a deep debt of gratitude to the Jewish people in general and in particular to the thousands of first-century Jews who believed that Israel's messianic expectations were being fulfilled in the person of Jesus of Nazareth, the son of David (Matt 1:1; Rom 1:3; 2 Tim 2:8). They recognized Jesus as both Messiah and Lord, becoming incarnate to extend the promise of Israel's salvation and blessing to all the families of the earth. We also owe those Jews our gratitude for bearing witness of their understanding in a continuing chain of events that resulted in the turning of millions of Gentiles to faith in the God of Israel, a reality that continues to the present day.

We appreciate that the salvation which we cherish is “from the Jews” in the words of Jesus, a Second Temple Jew (John 4:22). We also acknowledge that our understanding of salvation as God's plan of redemption and restoration of the universe comes to us from the Jewish people.

We are indebted to the Jewish people for our understanding that the God of Scripture expects his covenant people to be witnesses to him. We recognize that this call emerged from Abraham's vision to be a blessing to “all peoples on earth” (Gen 12:1-3), and that it was expanded in the witness of Jesus' Jewish followers in response to his commission: “Make disciples of all nations” (Matt 28:19).

We at The King's University uphold a vision for healing the schism between the Church and the Jewish people. We acknowledge the painful and tragic history between Christians and Jews, wherein the Church for nearly two millennia became complicit in verbal hostility and in continuing violence, discrimination, and harassment directed against God's chosen people. Moreover, this persecution of the Jewish people was frequently church-sponsored and fueled by supersessionism—the view that the Church is the new Israel and replaces the Jewish people as the people of God. We renounce such attitudes, actions, and theologies, and we resolve not to repeat or to condone them or to remain silent in the face of them now or in the future.

We recognize that the Jewish people remain in relationship with God through the eternal covenant that he made with Abraham and his descendants (Rom 9:4-5). We understand that God's gifts and calling to Israel are irrevocable because of God's faithfulness (Rom 3:1-4; 11:1, 28-29).

We believe that the Church is a body of Jews and Gentiles in Messiah who are called to live out a God-given relationship of interdependence and mutual blessing (Rom 11:11-25; 15:7-27). At The King's University, we celebrate this unity in diversity. Gentile believers do not need to become Jews or take on Jewish lifestyle to walk in the ways of the Lord (Acts 15). However, Jewish followers of Jesus are called to remain true to their identity as Jews (1 Cor 7:17-24; Acts 21:17-26). We encourage them to stay involved in the Jewish community and to be a blessing within it. If a Jewish person has not participated in the Jewish world, we invite them to explore this part of their identity.

As a Christian university, we benefit from the input of Jewish scholars and rabbis into our understanding of the faith of Abraham and the Scriptures. While we seek to make disciples of all nations, we share our understanding and our beliefs with the Jewish people as dialogue within the Abrahamic family of God.

We wholeheartedly affirm that Yeshua is and will forever be the son of David, the King of Israel, and the Savior of the world (Rev 22:16; John 4:42). As the Jewish Messiah, he came “first” to his own people and thousands of first-century Jews followed him (Mark 7:27; Acts 3:25-26; 21:20). Because of the enduring covenant relationship between God and Israel, we agree with the Apostle Paul that the gospel—the message of God's powerful plan

Appendix A

to rescue everyone who trusts in him—should be presented “to the Jew first” (Rom 1:16; 2:9-10; Acts 13:44-46; 14:1; 17:1-4, 10; 18:4-6; 19:8). Moreover, we at The King’s University want to share this life-giving story of Israel’s Messiah with all Jewish people, and explain it with love, respect and honor.

While many in the Jewish world regard Messianic Judaism to be deceptive under the reasoning that a Jew cannot believe in Jesus and remain a Jew, a perspective that emerged out of the legacy of hatred between Christians and Jews over the past two thousand years with its consequent parting of the ways, we affirm the apostolic witness that Jews who follow the Messiah of Israel remain Jews (Acts 21:39; 22:3).

We support in word and deed the right of all Jewish people to exist as Jews with complete self-determination—free from any form of political, economic, social, or religious intimidation, coercion, or persecution.

We stand in solidarity with the international Jewish community against anti-Semitism, anti-Judaism, and any other threat that may be directed against the personal well-being of Jewish people or their individual and corporate existence. While many Jewish leaders regard Messianic Judaism to be such a threat, we believe that the commitment of Jewish followers of Jesus to remain faithful to their people and heritage, and to raise their children as Jews, contributes to Jewish continuity.

We support and will defend the right of the Jewish people to the sovereignty of the nation of Israel and to their historic homeland conveyed to them by God’s covenant with Abraham.

Finally, we do not pretend to speak for all followers of Jesus. We speak only for ourselves as participants in ongoing Christian-Jewish dialogue at The King’s University.

Appendix B

THE SEVEN AFFIRMATIONS OF THE TJCII MOVEMENT

Consistent with the principle established in the original Jerusalem Council of Acts Chapter 15 regarding respect for diversity in the Body of Christ concerning Jewish and Gentile identity, we do make the following affirmations:

1. We affirm the election of Israel, its irrevocable nature and God's unfinished work with the Jewish people regarding salvation and the role of Israel as a blessing to the nations.
2. We affirm that Jews who come to faith in the Messiah, Jesus, are called to remain true to their identity as Jews and live as part of their people in ways consistent with the New Covenant.
3. We affirm the formation of Messianic Jewish congregations as a significant and effective way to express Jewish collective identity (in Jesus) and as a means of witnessing to Jesus before the Jewish community. We also affirm Jewish individuals and groups that are part of churches and encourage them in their commitment to Jewish life and identity.
4. We affirm our willingness as an ecclesiastical body to build bridges to the Messianic Jewish community; to extend the hand of friendship and to pray for their growth and vitality.
5. We affirm our willingness to share our resources with Messianic Jewish congregations, mission organizations and theological training institutes so as to empower them to fulfill their God-given purpose.
6. We affirm our willingness to be a voice within our own ecclesiastical structures and spheres of influence against all forms of anti-Semitism, replacement theology (supersessionism) and teaching that precludes the expression of Jewish identity in Jesus.
7. Finally, we affirm that as Jewish and Gentile expressions of life in Jesus grow organically side by side with distinct identities that God will be glorified; that the Kingdom of Heaven will be advanced and that the vision of "the one new man" in Ephesians 2 will unfold as part of the original Abrahamic blessing to the nations.
