WHAT IS WORSHIP LEADERSHIP?

The Bachelor of Worship Leadership (BWL) degree at Gateway Church offers an exceptional opportunity for individuals passionate about guiding congregations in worship. With a curriculum tailored to develop both pastoral and artistic skills, students gain valuable experience alongside seasoned worship leaders, preparing them for impactful roles within local faith communities. Featuring a comprehensive approach and practical training, the BWL program equips students for further theological study and leadership positions within diverse ministry contexts.

EXPERIENTIAL LEARNING

Gain hands-on experience in ministry areas at local churches through Ministry Practicums. These immersive opportunities prepare you for a successful career in vocational ministry, with undergraduates completing two practicums during their junior year.

"I got a second bachelor's degree at TKU while I was in my 40s. I was very glad to learn some musical skills here that I had wanted to learn for years. The professors sat with me and worked with me until I understood the concepts, and I haven't forgotten them."
