WHAT IS A DOCTOR OF MINISTRY?

The Doctor of Ministry (DMin) program offers a comprehensive platform for seasoned Christian ministers seeking to enrich their practice and spiritual journey while remaining actively engaged in ministry. With a focus on professional development and personal growth, this program ensures ministers maintain their full-time roles while advancing their skills and adhering to the highest academic standards. The Doctor of Ministry Capstone Project, provides an opportunity for students to make significant and impactful contributions to the field of Christian ministry within their respective communities.

Accredited through the Association
of Theological Schools (ATS).

CAPSTONE EXPERIENCE

The graduate capstone experience is a pivotal requirement for all graduate students, providing a platform to showcase their ministerial skills and theological expertise they acquired throughout their studies. This allows students to apply their knowledge to real-life Christian ministry, either through a comprehensive paper or the development of a practical project, ensuring well-rounded preparation for whatever God is calling them to do.
