WHAT IS THEOLOGICAL STUDIES?

The Master of Theological Studies (MTS) program at The King's University is an ideal choice for individuals seeking to deepen their biblical and theological knowledge for ministry or academic pursuits. With a specialized focus on spiritual formation and biblical studies, this program is for church leaders and those aspiring for further academic exploration. Whether you're looking to enhance your ministry practice or pursue doctoral studies, the MTS degree can be tailored to your goals.

Accredited through the Association of Theological Schools (ATS).

CAPSTONE EXPERIENCE

The graduate capstone experience is a pivotal requirement for all graduate students, providing a platform to showcase their ministerial skills and theological expertise they acquired throughout their studies. This allows students to apply their knowledge to real-life Christian ministry, either through a comprehensive paper or the development of a practical project, ensuring well-rounded preparation for whatever God is calling them to do.
