

Student Achievement Data (TRACS)

Fall 2024

- A. Retention rates are unique student, fall-to-fall enrollment based on first-time, full-time status.

Program	2023-2024	2022-2023	2021-2022	3 yr. Average
Associate*	0%	0%	0%	0%
Bachelor	54%	100%	70%	75%
Graduate	79%	25%	84%	63%

*For the Associate degree the zero percent indicates no first-time, full-time students enrolled in 2021 and 2022 and for 2023 only one student enrolled, who later withdrew.

- B. This section presents licensure pass rates for the students in the Master of Arts in Marriage and Family Therapy program.

Year	Marriage & Family Therapy		Licenses Professional Counselors (LPC)	
	# Students Attempting	Pass Rate	# Students Attempting	Pass Rate

- C. This section presents data for graduation rates of first-time, full-time degree seeking students as reported in the TRACS Annual Operating Report.** The completion and graduation rates for associate, bachelor, and graduate degrees are measured at 150% of the expected time for completion (bachelor degree rate is 6 years from the first enrollment).

Level	2018 cohort	2017 cohort	2016 cohort	3 yr. Average
Associates	67%	80%	30%	59%
Bachelor	40%	24%	73%	46%
Graduate	63%	30%	39%	44%

**The number of students in this cohort is not sufficient to report with confidence and confidentiality a table disaggregated by gender, by each major racial and ethnic subgroup (as defined in IPEDS), or by recipients of Federal grants or loans.

NOTE: TKU traditionally has a small number of first-time, full-time students. Our students are primarily non-residential commuters, often bi-vocational and enrolling with transfer credits.
