WHAT IS WORSHIP LEADERSHIP?

The Associate of Arts in Worship Leadership (AAWL) program equips students with essential pastoral leadership skills, biblical knowledge, and musical proficiency necessary for effective worship ministry in local churches. Developed in collaboration with leaders from Gateway Church, our program integrates contemporary technologies and practical training tailored to today's worship, offering a comprehensive foundation in worship studies alongside hands-on experience in team building, songwriting, recording, live audio, and performance.

EXPERIENTIAL LEARNING

Gain hands-on experience in ministry areas at local churches through Ministry Practicums. These immersive opportunities prepare you for a successful career in vocational ministry, with undergraduates completing two practicums during their junior year.
