Our Bachelor of Biblical Arts in Messianic Jewish Studies (BABMJS) program at The King's University offers a dynamic opportunity for individuals passionate about serving and leading in the Messianic Jewish community or facilitating connections between the Church and the Jewish people. With a curriculum approved by the Union of Messianic Jewish Congregations (UMJC), our program provides comprehensive training in Scripture and Messianic Judaism. Whether you choose to study online or on-ground in Southlake, our concentrations further enrich your learning journey, preparing you for impactful ministry endeavors within this unique field.

"I knew I wanted to become an agent of reconciliation between the Christian church and the Jewish community and share the heart of Jesus with all of God's people. God showed me I was to get a foundation in the classroom while sharing the gospel in my assigned mission field — the marketplace."
