Heathrow Airport is the best option. But as long as you make it to St. Anne's in Oxford, it doesn't matter how you get there.

How do I get to St. Anne's in Oxford from London?

This is your responsibility to get yourself to and from Oxford. The recommended way to get to Oxford is via <https://www.theairlineoxford.co.uk/> You can purchase a bus ticket from the Oxford Tube at <https://traveloxfordtube.com/> your stop will be Gloucester Green in Oxford. Or you can take the train at <https://www.thetrainline.com/stations/oxford> it goes directly from Heathrow to Oxford Gloucester Green Station. Then you can walk or taxi to the school. An Uber costs close to £180 from Heathrow to St. Anne's.

What are the room arrangements at Oxford?

Only single occupancy rooms are available. If you are married, you will be staying in separate rooms. We can request closer to July a double room, but there are no guarantees.

If you are attending for both weeks, your presence at both receptions is mandatory. Additionally, all planned outings and excursions are integral to the program and are considered part of your class requirements. While the experience is designed to be enriching and enjoyable, it is essential to recognize that it is still a part of your academic commitment. Be aware that late nights and extra weekend trips you plan might be exhausting, but you are expected to participate fully in both class sessions and scheduled activities.

Not Included: Airfare, transportation to/from Oxford, evening meals, tips for the walking tour on Wednesday July 23rd, and spending money.

Are meals provided if you are staying over the weekend?

Breakfast can be provided for students who are staying two weeks only. If you are staying at St. Anne's between weeks one and two, please let Taren know if you will be needing those meals. You can only stay the weekend if you are attending both weeks.

How will we stay connected during our time in England?

Cell phone connectivity in England can be challenging. Even if your mobile plan includes international roaming, speeds are often truly at dial-up levels, making regular browsing or streaming nearly impossible. For a smoother experience, check with your provider about purchasing a data pass for faster service. You might also consider buying a UK SIM card before you go—optional, but highly recommended.

To stay in touch, we'll be using the WhatsApp, student each *must* download the WhatsApp application, enabling me to communicate with you through the app. There will be separate Week 1 and Week 2 Groups, so if you're participating in both weeks, you will be put into both groups. This will facilitate our communication with you throughout the trip. **Everyone is expected to join these groups.**

You mentioned tips: (Week 1 Students only)

Absolutely, it's not a common practice to leave tips for dinners in England, although it is sometimes done. However, for our walking tour on July 15th, we will collect a gratuity for our guide. **Week ONE** students will be asked to Venmo an amount ranging from \$5 to \$10 on Monday, which will be given as a token of our appreciation to the tour guide for Wednesday. We will provide you with a QR code for this transaction at the start of the week through the WhatsApp. Or you can pay in cash, though it must be cash in **British pounds**. It is a truly remarkable experience, and we've consistently had exceptionally knowledgeable guides. We do ask that all Week One students please tip! (British Pounds or Venmo ONLY!)

IMPORTANT POINTS ABOUT ST. ANNE'S

When going through customs **DO NOT** say you are studying at Oxford! You are considered a tourist. You are staying at St. Anne's but you are not studying with St. Anne's. Please say you are a tourist. This is very important!!

During your visit to St. Anne's, the following are highlighting some general points that apply to everyone at St. Anne's:

- 1) We have a "no smoking indoors" policy and ask that everyone smokes only at the 14 designated points shown on the attached map.
- 2) We have a no cycling policy within College for Health and Safety reasons.
- 3) We ask that all cycles are parked in the area adjacent to the Banbury Road.
- 4) There are very limited parking facilities at the College, organizers should check with St. Anne's Conference office regarding any requests for parking spaces. The North Oxford Park and Rides (Pear Tree and Water Eaton) are very convenient as the buses stop near the College. Please see the link <https://www.oxfordshire.gov.uk/residents/roads-and-transport/public-transport/park-and-ride>
- 5) It is unusual for the College to accommodate children under the age of 16 and this should not be encouraged.
- 6) We ask that everyone is quiet between **midnight and 08:00 am**.
- 7) Breakfast is in the main Dining Hall between 08:00 and 08:50 am.
- 8) Fire procedure detail and a site map showing fire assembly points are on the back of each bedroom door.
- 9) We ask that all persons follow the instructions of Lodge Porters in the event of a fire or emergency.

- 11) We recommend that you **lock your bedroom door at all times**.
- 12) We ask you not to divulge entry door codes to anyone you do not know.
- 13) A **laundry** facility is located on the campus. Students will need to purchase a laundry card for £2 (which must be paid for with cash) they can then top the card up online. Instructions of how to do this are in the Laundry room.
- 14) Check-in is at the Porters Lodge from 15:00 hrs (3:00pm).
- 15) We request that you vacate your room by 10:00 am on your last day. Secure storage is available at the Lodge.
