## WHAT IS PRACTICAL THEOLOGY?

The Master of Practical Theology (MPT) degree equips aspiring ministers with the tools and experiences needed for full-time vocational service in the church or parachurch organizations. With a curriculum emphasizing biblical and theological knowledge and offering customizable electives, this program prepares students for diverse ministry roles while paving the way for further studies in divinity and related graduate degrees.

Accredited through the  
Association of Theological  
Schools (ATS).

## CAPSTONE EXPERIENCE

The graduate capstone experience is a pivotal requirement for all graduate students, providing a platform to showcase their ministerial skills and theological expertise they acquired throughout their studies. This allows students to apply their knowledge to real-life Christian ministry, either through a comprehensive paper or the development of a practical project, ensuring well-rounded preparation for whatever God is calling them to do.
